Bonavista Recreation Centre

Take the online survey!

The City of Winnipeg is looking at building a new recreation centre in southeast Winnipeg to meet the recreation needs of the growing community. The proposed facility would be located in Fraipont Park, near the intersection of Evelyn Reese Boulevard and Warde Avenue.

Tell us what activities you want to do at the proposed recreation centre.

Scan the QR code or visit the project webpage to take the online survey by October 30.

If you have questions or require alternate formats to participate, please contact city-engage@winnipeg.ca or 204-986-4243.

Folks who *choose* to live in this area of town did so without it having this centre, and they did so knowing they would have to drive everywhere. So let them keep driving everywhere and funnel this money into maintaining the centres that already exist but are languishing with insufficient funds.	9/29/2024 10:01 PM

Please talk to the Dakota Community Centre pickleball organizers for further insight. We also need lots of outdoor pickleball courts (preferably with wind sheltered fabric on the fence (like the Kenora pickleball courts)). It really is extremely popular and it is growing and keeping our aging population active, fit, and healthy.	9/26/2024 11:03 AM

I also hope they do t remove all the green space as it's so nice and kids are always playing there, I think adding a large building with an increase in traffic will be a disturbance to a already busy area.	9/25/2024 2:44 PM

735	Winnipeg lacks an adequate space for roller derby. The Winnipeg Roller Derby League (with includes adults and kids)has been in existence for over ten years, is struggling because there is not a proper space. the league has a curling club the summer for a few months, but nothing appropriate for August to April. As of today, there are about a hundred members. However, growing the sport is extremely challenging because there is nowhere to play for most of the year. It's challenging to teach players and officials. As well, having regular access to an appropriate space will help with safety because people will be able to have a space to develop their skills. I realize people love hockey, but there are already a lot of hockey leagues. Furthermore, roller derby is primarily a female led sport in Manitoba, so perhaps this is why it gets overlooked. It would be so wonderful to have an inclusive space where fans could come and watch roller derby (we are nonprofit), and a place for teams from outside Manitoba could come to play Winnipeg. I encourage you to please keep your mind open to what roller derby does for the community. People have made long lasting friendships, found confidence, and built athleticism.	9/25/2024 1:00 PM

#	RESPONSES	DATE
1	no	10/30/2024 10:36 AM
2	Would be nice to have access to a kitchen for the rec rooms (socials, events, cantina?)	10/29/2024 11:37 PM
3	Pickleball is a very fast-growing sport, with youth, the middle-aged and the elderly able to participate. This new centre must have sufficient facilities to accommodate this.	10/29/2024 4:24 PM
4	With the added traffic of a recreation centre, roundabouts such as the ones in Southdale would work far better than the stop signs to mitigate backed up traffic. Something will also have to be done for pedestrian safety as the four way stops are not working well for pedestrians crossing.	10/29/2024 11:30 AM
5	I am excited to see what happens with this centre.	10/29/2024 10:31 AM
6	A library would be a great addition to the neighborhood as there are none close to our community	10/29/2024 10:22 AM
7	Pickleball is the fastest growing sport in North America. Currently, there is a lack of indoor and dedicated outdoor pickleball courts	10/28/2024 8:21 PM
8	The City is closing recreation facilities in the older, more disadvantaged parts of the city and opening new ones in other. The one near Bridgwater is ridiculously big. If you made smaller sites you might be able to keep the older ones open so everyone in the city has somewhere to play.	10/28/2024 3:27 PM
9	An indoor ice rink	10/28/2024 2:13 PM
10	BUILD A SWIMMING POOL	10/27/2024 9:16 PM
11	Traffic calming must be considered in the design. This area is already poorly planned and there are constantly accidents. Kids are routinely almost hit by cars and if this isn't taken into consideration from day one, it will be a disaster.	10/27/2024 8:07 PM
12	Needs to have a competition size pool	10/27/2024 10:27 AM
13	If not a decent sized aquatics facility it would be tragic to cover up green space at the proposed site to accommodate a facility like the rec center this survey appears to intend.	10/26/2024 3:51 PM
14	Southdale is operating beyond capacity for hockey. There's limited ice time forcing kids to play in other areas of the city. A new community arena should definitely be considered, especially with the housing developments in this area and sage creek.	10/25/2024 11:10 PM
15	We definitely need one in our community Also we need bus routes established soon in the neighbourhood	10/23/2024 5:19 AM
16	No	10/22/2024 8:51 PM
17	We need more public pools	10/22/2024 7:44 PM
18	There is currently no indoor softball or baseball practice area in the south end or the city. A great location for this as Homerun sports is close by.	10/22/2024 4:55 PM
19	Ward and De La Seigneurie Blvd desperately needs a roundabout! Nobody wants another light-controlled intersection, everyone is asking for a roundabout on the Facebook resident group pages.	10/21/2024 8:51 PM
20	The park is so nice as open space. Please keep a lot of the space open. We don't want it to be an eye sore	10/20/2024 9:54 PM
21	Our family feels that having it in Fraimont Park takes away the only green space our Bonavista development has. We think it would be great if it could be south of our development, just north	10/20/2024 5:54 PM

of the perimeter. Overall we are very excited and think our young family will use this space a lot.

22	Praying this project works out	10/19/2024 7:57 AM
23	I am enthusiastic about the centre, but I hope the beautiful park will not be disturbed. Also, please ensure that there will be adequate parking!!	10/18/2024 3:18 PM

28	Parking area for cars as well as for bikes	10/17/2024 7:47 PM
29	Looking forward to seeing this facility and area developed and available to the community!	10/17/2024 4:11 PM
30	Great initiative!	10/16/2024 4:54 PM
31	Are there going to be hockey rinks?	10/16/2024 3:29 PM
32	Multi use space for all sports, meetings, meets all abilities.	10/16/2024 10:40 AM
33	Again, is there any other location? I live very close to the proposed site and there's not a lot of space if a building and parking lot need to be put in. It'll be cramped and we will lose a great open space for families.	10/16/2024 10:18 AM
34	The park is very beautiful as it is. The green space is great to have in a residential area within the city. The architecture of the proposed building is very important. If it is just a plain box building, it will be an eye sore for the community. Please work with good architects and engineers to create something enjoyable to look at, or else I'd rather keep it as green space.	10/16/2024 9:56 AM
35	Please consider parking and entrance infrastructures but overall this would be a welcome addition to the south end. Thank you	10/16/2024 9:47 AM
36	Please add basketball. A lot of basketball players live in the area and it would be really good to add for players to hone there skills	10/15/2024 7:39 PM

38	Thank you for bringing Bonavista Recreation Centre	10/15/2024 4:43 PM
39	When is the facility expected to be completed	10/15/2024 12:38 PM
40	Please just expand / fix Southdale. Let's maintain what we already have properly. Thank you.	10/15/2024 11:22 AM
41	I wish there could be a pool or any type of restaurant so I can go eat	10/15/2024 7:48 AM
42	Ramp for those using wheel chair	10/14/2024 10:47 PM
43	An off leash dog park in Bonavista would be great!	10/14/2024 9:42 PM
44	Consider adding additional green spaces around this area that can be developed and an off leash dog park space. People need space for their dogs to run because they will utilize other spaces instead. With the size of the backyards and lots there is not sufficient space for dogs to burn off steam. Every other house has a dog, so please consider it.	10/14/2024 9:38 PM
45	Swimming pool	10/14/2024 8:15 PM
46	Please add indoor ice rink!!!!!!	10/14/2024 7:29 PM
47	Indoor rinks as not enough ice times available for out neighborhoods	10/14/2024 7:23 PM
48	An indoor hockey rink would be great as ice time is so hard to find around the city	10/14/2024 6:53 PM
49	I hope there will be a skating rink.	10/14/2024 6:52 PM
50	Please consider adding outdoor softball diamonds and indoor ice for hockey to this proposed site. The city's rec facilities are not being upgraded or keeping up with the expanding population and needs of the communities.	10/14/2024 6:49 PM

51	We don't have an indoor hockey rinks in this area and hockey is such a popular sport in Manitoba, so we'd like to see this added. Thank you.	10/14/2024 6:41 PM

59	I highly recommend an arena/ice rink space AND a pool.	10/13/2024 4:26 PM
60	It would be beneficial if Royalwood residents could access area by car without going to Abinojii Mikanah. (The dream of the Warde extension...).	10/13/2024 3:51 PM
61	We would love this to be completed asap.	10/13/2024 12:33 PM
62	Do not disrupt the current green space to build indoor spaces and parking lots. There is inadequate road infrastructure to accommodate more traffic and street parking that will come with a large rec centre.	10/12/2024 8:36 PM
63	It would be great to have a squash court.	10/12/2024 6:12 PM
64	It would be nice to co-ordinate children oriented holiday activities... Trick or treating for halloween, meet Santa for christmas or egg hunt for Christmas	10/12/2024 2:29 PM
65	There are enough sports places in this end of the city and kid oriented activities. There needs to be more adult and art oriented activities. Performances and expos would set Sage Creek and the surrounding area apart from other areas of the city.	10/12/2024 1:24 PM
66	This is a very difficult survey since there is nothing specific. Unless I know what's available I don't know when and if I would go. The cost is also going to be a factor.	10/12/2024 10:14 AM

92	While I agree that Sage Creek, Island Lakes, Royalwood and Bonavista lack the amenities such as this proposed recreation centre, the location you are proposing is not acceptable. You are removing our Green Space from our community. That soccer field is occupied by community members almost every evening. The spaces surrounding the soccer field has families playing tag or baseball. We have nothing else available to us in our neighborhood including bussing. Find another location! Also, really cute asking us about how will we get to the centre and including public transportation, something our neighborhood doesn't have access to. 🙄	10/8/2024 6:04 PM
93	This would be a great addition to the community that has longed for a family friendly and nearby recreational centre.	10/8/2024 5:24 PM
94	This is a growing community with lots of children. I would like to see this city be proactive rather than reactive and plan for the fact that Southdale CCis overwhelmed and we need another indoor rink in the south end of the city. I would also like to see the same offerings as Southdale (fitness classes, how to sessions) as well as pickle all courts similar to Winakawa	10/8/2024 4:58 PM

100	I am so pleased that this centre is under consideration. It will be most effective if a range of activities are offered. How much I attend and when will entirely depend on this. I am a senior looking for seniors' activities, but those for kids and parents are equally important.	10/7/2024 8:28 PM
101	Not really	10/7/2024 4:13 PM
102	Considering an only Pickelball outdoor venue would be fantastic	10/7/2024 3:49 PM
103	This location for the Community Center concerns me. It would destroy the only green space the Bonavista area has. Why would this area be chosen? The original spot for this was not in the green space. Another concern is how is the City paying for this? Aren't CC's being closed in the city. We have a pipe full of crap running across a bridge in the city because we can't get that fixed. Where is the money coming from? Not just the build but also the up keep. This location is a bad idea - traffic, parking, taking away an active area for the community. Find a different space to build this thing.	10/7/2024 3:11 PM

129	Love the idea. I do wish there were plans for more green space in Bonavista. We live on Maligne way, which is okay to walk to the park as an adult, but much harder for little ones to walk. Would love even just some small green space close to Maligne/Crestmont/Twintree area. Thank you for the consultation.	10/5/2024 10:30 AM
130	It's important that this facility has an active living centre like the UofM active living center	10/5/2024 10:13 AM
131	Put in an outdoor wading pool splash pad like Dakota. My kids love the slide into the water and we go there daily in summer.	10/5/2024 10:02 AM
132	Running and walking track would be nice	10/5/2024 9:04 AM
133	Let's get it right. Thank you	10/5/2024 8:54 AM
134	Winnipeg needs a more active living model, similar to Calgary. Healthy living, active lifestyle. Promoting overall well- being needs to be a focus if Winnipeg is going to move towards the future. We should be looking at other thriving cities and learn from them.	10/5/2024 8:12 AM
135	We really need a community recreation area in this part of the city. It would be great to have a swimming pool as well.	10/4/2024 10:37 PM
136	Please look for opportunities to have more green space in this area. The city needs nice parks, not just houses everywhere. Drainage in this area needs to be improved. There is so much ice on the streets, it is terrible for a brand new area	10/4/2024 9:51 PM
137	Yes, do not build recreation center in my community! Build it in Sage Creek. Leave the park alone, find a different area! What an unreasonable idea to take the only green space away from residents. Outrages	10/4/2024 7:58 PM

140	Traffic should be considered. Island Shore is already very busy and Wards avenue gets backed up to Lag between 4-6pm every week day. What is proposed to help with this issue and taking into account the extra traffic.	10/4/2024 6:53 PM
141	No	10/4/2024 6:22 PM
142	Expected a rental space for community gatherings with kitchen	10/4/2024 5:01 PM
143	I am concerned about how parking will work. This is a very populated area and already there is an issue with too many cars around.	10/4/2024 4:52 PM
144	I am worried about the loss of green space as there is very little dedicated to having open natural areas for families to enjoy. With the amount of houses in this area, there is only one park and now you are going to build a rec centre there which will greatly reduce the amount of green/play space left for families. Another concern is the increased traffic to our area. De la signurie and ward are already busy streets with poor traffic control planning. How is the city planning on addressing the increase in vehicle traffic in this area?	10/4/2024 3:43 PM
145	Swimming pool would be a great asset. As well as a splash pad on the grounds and an indoor play structure to bring kids to in the winter	10/4/2024 2:53 PM
146	A swimming pool would be nice to have in the community	10/4/2024 2:48 PM
147	We need a gym nearby	10/4/2024 1:09 PM
148	concerned about size of footprint, maintain green space and available parking (street parking within the area would be very limited)	10/4/2024 12:45 PM

170	The play structure area desperately needs a roof shelter for shade. Like the splash pad area or park further down island shore. The bonavista Park gets incredibly hot in the summertime and often nobody goes because there's no shade. The size of the one at the splash pad is perfect. It fits two picnic tables underneath.	10/3/2024 6:53 PM
171	A pool with swimming lessons especially for kids would be great as there are so many kids and growing families in Bonavista and all other pools are too far away	10/3/2024 6:28 PM
172	As offered at Southdale	10/3/2024 6:25 PM
173	The city needs to redesign the traffic intersections to handle the increased traffic. There are already too many cars and too many stop signs. We need traffic circles, and bridges	10/3/2024 5:30 PM
174	Splash pad would be amazing since we have a lot of young families	10/3/2024 5:20 PM
175	Indoor soccer nets and equipment	10/3/2024 5:16 PM
176	Honestly feels like capital projects continually have easier access than operational funding. Apart from Southdale cc mini soccer, no current programming works for my family. Bonivital pool when open often has pretty limited hours, and the library hours are horrible.	10/3/2024 5:13 PM
177	Traffic is a concern.	10/3/2024 4:59 PM
178	I think it would be great to have a place to workout in the area that is not scheduled classes like orange theory, boxing, etc	10/3/2024 4:38 PM
179	As a community member who lives 2 minutes away from this proposed rec center it devastates me to think of our community losing all this beautiful green space that many community residents have been using and enjoying. We don't need another building especially one that will take over this green space. Also, where are all these visitors supposed to park and how will it affect traffic which is already a HUGE problem getting in and out of the community. Please consider these things before adding this to our community. There are enough rec centers close by to support our needs.	10/3/2024 4:30 PM

186	If there would be space for playing kendo that would be great too! Or an indoor track.	10/3/2024 10:05 AM

188	Can it be constructed quickly	10/3/2024 8:50 AM
189	A gym. The closest one to the neighborhood is Shapes, but it is small and overcrowded. As a young adult, would be awesome to have programs geared towards young adults since most programs are filled with 30+ or seniors. A swimming pool would be the absolute most amazing thing to have in this area. The community is too big and growing so relying on Southdale, Dakota, and Bonivital for recreation is no longer feasible. Ideally, a centre just like Dakota would be best. It had everything! Preferably, the gym courts closed off so the track around the gym isn't loud and inaccessible to those with sensory sensitivities. Private fitness rooms would be great as well! UofM has a few that have schedules available to women and queer folks so everyone can exercise in a comfortable environment.	10/3/2024 8:26 AM

197	Pickleball courts, multi use gym, indoor walking path, meeting rooms.	10/2/2024 10:55 PM
198	We need an outdoor hockey rink in the area. There's nothing near by or within walking distance. The closest was southdale back in the day before they expanded the community centre. Now closest is winakwa or dakota cc	10/2/2024 10:26 PM
199	Splash pad	10/2/2024 10:16 PM

201	An indoor hockey rink would be a great addition	10/2/2024 10:00 PM
202	I am 100% against a rec centre being built in this location.	10/2/2024 9:53 PM
203	We currently visit the park pretty regularly with our young kids. Traffic control/high visibility parking lots and space enough to accommodate the community (amount of people at the centre) would play major rolls in how often we visited the community centre, or continued to visit the park after the community centre was built.	10/2/2024 9:16 PM

211	Parking and traffic concerns	10/2/2024 7:57 PM
212	This club has to be larger with more facilities and be built near the new school in sage creek as it would be better for traffic to facility. the proposed site in bonivista is too small ...,would mean more traffic on island shore which is two lane only and would not be able to accommodate more traffic	10/2/2024 7:52 PM
213	Seriously reconsider the location. The current park is small enough as it is, and adding a building, parking lot, etc will take away from the soccer pitch and green space that is already well used. Building the centre adjacent (kitty corner) to the park would be ideal. Also, if outdoor courts (basketball, pickleball, etc) are included, please consider how noise reverberates into the living spaces of those nearby.	10/2/2024 7:50 PM
214	If it was in a different location besides where the park and soccer field is because it takes space away from what is already there. Put it across the street or on land instead of another apartment or condo building	10/2/2024 7:46 PM

264	Folks who choose to live in these neighbourhoods have enough personal wealth to choose whatever recreation suits their fancy and a good part of the time, that won't even include civic recreation centres. The city has a responsibility -- and is already paying the price for its failure, in terms of homelessness and addiction -- to ensure there are services for those who can't afford the private gym and clubs. don't bend over backward, burning money we don't even have, to create more infrastructure debt we're already drowning in, to serve fussy suburban folk who don't even need or want your civic services.	9/29/2024 10:04 PM
265	The access roads from Lagimodiere blvd must be improved - there is a long line of cars are Warde and De La Seigneurie already. There is space to make Warde four land, and that would have to be prioritized, along with a roundabout as originally planned: NOT traffic lights!	9/29/2024 9:41 PM

276	Pickleball is a very popular sport for all ages. It would be nice to see pickleball only courts rather than having multiple use courts for pickleball and tennis. You could have more pickleball courts this way.	9/29/2024 5:49 AM
277	It would be really nice if the building and site could be made in a way that doesn't detract from the natural beauty of the nearby park, but instead supplements and supports it. 320	I would really love to see a community centre in this area!	9/27/2024 5:34 PM
321	A fenced off-leash dog area would be great!	9/27/2024 4:54 PM
322	This is a great idea, can't wait to start using this facility!	9/27/2024 2:49 PM
323	The year-round shelters at St. Vital Park and Crescent Park are nice	9/27/2024 2:36 PM
324	Southdale CC is overflowing and the management there doesn't seem to care about anything other than those hockey rinks and only for hockey teams. It would be nice to have a community club that actually puts our dues to use for each sport we're paying them for.	9/27/2024 1:43 PM
325	a small fenced in area would have a big ROI for this community, please consider it in your plans	9/27/2024 12:18 PM
326	Please evaluate why communities in urban sprawl get new facilities while our facilities in the core are being cut.	9/27/2024 11:40 AM
327	looking forward to visiting this community centre!!	9/27/2024 9:49 AM
328	Traffic congestion on warde is terrible already and the proposed lights won't help much. Warde would need to be expanded to keep this from becoming a nightmare and also carry warde over the train tracks to allow another route to enter and exit the area. Eliminating the green space for a surface lot and building is counterproductive and I thought the area was mandated to have a certain amount of green space. For the small amount of benefit this will add I would sooner not have it. A properly sized community club with baseball and soccer fields and an indoor hockey rink should be planned for a larger space in sage creek or bona vista. The entire southeast corner of the city uses Dakota and Southdale which are overflowing. This facility that is being proposed is insufficient and in a poor location. This is poorly planned overall.	9/27/2024 9:01 AM
329	Programs during day for active seniors. Lots of seniors in area 55 plus rentals in sage erc	9/27/2024 8:59 AM
330	If you are going to have sports at the community Center, you should also have a canteen.	9/27/2024 8:58 AM
331	Its great that you are doing this, please make it happen	9/27/2024 8:46 AM
332	The open soccer spaces and green space is needed at Fraipont Park considering all of the multi family dwellings that are being built in the area. A recreation centre in that space will be too congested. Keep green spaces open for community gathering and well being.	9/27/2024 1:01 AM
333	Free parking ,	9/26/2024 10:40 PM
334	Keep the soccer pitch and green space	9/26/2024 10:20 PM
335	No	9/26/2024 9:42 PM
336	No hockey please	9/26/2024 9:13 PM

337	please build it sooner	9/26/2024 8:50 PM
338	It's a much needed facility.	9/26/2024 8:31 PM
339	No.	9/26/2024 7:25 PM
340	Noting for now	9/26/2024 6:51 PM
341	Needs to be a friendly and inclusive space for various levels of mobility. More places to sit.	9/26/2024 6:30 PM
342	Smoking room	9/26/2024 5:39 PM
343	We need more arenas!	9/26/2024 5:18 PM
344	When this centre is built, the 4 way stop of warde and de la seigneurie must be replaced with a round a bout! Lights will not improve the traffic flow. The Lakewood roundabout has absolutely improved traffic flow in Southdale. Please recommend to the city that this is a must as the community grows and the centre brings more people to our area. Thank you	9/26/2024 2:17 PM
345	I do enjoy dance and fitness and painting classes and have regularly gone to other facilities for this purpose. I would utilize this center if these activities were offered	9/26/2024 1:24 PM
346	Pls add swimming and other indoor activities as well	9/26/2024 1:04 PM
347	Sure. How does the price tag for this bullshit compare to the cost of maintaining happyland pool?	9/26/2024 12:47 PM
348	I would highly recommend to have a daycare centre which I would love to run as I hvs a hone daycare but with limited spots . This will give me opportunity but again help in community and care for many children in Bonavista Area.	9/26/2024 12:38 PM
349	Pickleball is growing and we need more facilities to play at	9/26/2024 12:15 PM
350	Parking and traffic r a huge concern. Bona Vista is overloaded with Apts. With insufficient parking now.	9/26/2024 11:47 AM
351	A SWIMMING POOL	9/26/2024 11:31 AM
352	Indoor Hockey Rink	9/26/2024 11:21 AM
353	Please put wind-break fabric on the fence around your outdoor pickleball courts - like the courts in Kenora. Also please make sure to have ample parking. At Dakota there is often approximately 90 cars there for pickleball alone (there is usually a 15 minute overlap from when the 48 intermediate players are leaving and changing their shoes and talking and the 48 advanced players arriving and getting ready and putting on their shoes).	9/26/2024 11:13 AM
354	I'm Excited to hear about this proposal	9/26/2024 11:09 AM
355	Towel and kit locker service availability	9/26/2024 10:47 AM
356	We need more out door ice in Southdale, island lakes and royal wood. It would avoid all the pond rinks which can be dangerous	9/26/2024 10:40 AM
357	This is a complete and total mismanagement of city resources. Closure of Happyland pool due to budget constraints, and yet the city has millions to build a brand-new park that won't even be accessible by frequent transit. Keep the suburbs heterogenous I guess. Disgusting.	9/26/2024 9:38 AM
358	I recently moved from Island Lakes to St B in part to support densification which improves affordability and quality of life in the city. I'm not happy that there is a focus on new facilities in the suburbs where density is low and nearly everyone has a car. Meanwhile facilities in the core are crumbling and being closed. City tax revenue is concentrated in high density areas and that's where the city should be focusing its limited resources	9/26/2024 9:32 AM
359	Not at the moment	9/26/2024 9:31 AM
360	not at this moment.	9/26/2024 9:29 AM
361	Would love to have more indoor pickleball courts and places to train for pickleball	9/26/2024 9:16 AM
362	Daycare and school age before and after care would be amazing. Many families in our community (Bonavista and Island Lakes) continue to struggle find care for our kids.	9/26/2024 9:13 AM

Bonavista Recreation Centre Survey

363	Pickleball is a growing sport and great exercise. And we need more courts.	9/26/2024 9:07 AM
364	Enough staff to handle the visitors/customers with knowledge and information.	9/26/2024 9:01 AM
365	I would be nice to have a skating ring.	9/26/2024 8:35 AM
366	Swimming pool and library is needed in the area	9/26/2024 8:34 AM
367	traffic flow along Warde avenue is already a problem. in my opinion due to 4 way stop signs instead of roundabouts as have been proven successful in Sage Creek. with the additional traffic this facility will bring, the 2 intersections on warde avenue should be made into roundabouts	9/26/2024 8:32 AM
368	Jesus is Lord	9/26/2024 8:30 AM
369	None	9/26/2024 8:28 AM
370	Invest in other indoor sports other than that hockey stuff. Our kids deserve more indoor activities	9/26/2024 8:23 AM
371	Planning out these things out before entire neighbourhoods are built, putting a strain on surrounding established areas	9/26/2024 8:20 AM
372	A good weight room with bench press and squat racks would make me want to go. Having an indoor play structure would make me want to bring my kids there.	9/26/2024 7:46 AM
373	Better/more street access	9/26/2024 7:46 AM
374	Personally, the green space is great. I wouldn't put the community centre there. Sage creek is a better location as it would have more space to put it there	9/26/2024 7:08 AM
375	Beauty in style and LUSH nature inspired decor, not just plain, generic and hospital-like. I.e. Hire and artist to uplift the interior walls and have lots of trees around the exterior.	9/26/2024 7:04 AM
376	Hot tub and shower, swimming pool	9/26/2024 6:54 AM
377	Winter activities for the kids! Weekly programs, indoor parkour, etc. Anything a rec centres can offer do help burn kids' energy on those long winter weeknights	9/26/2024 6:49 AM
378	While community Center is a wonderful addition to Bonavista community, the location is absolutely horrible. The existing park is nice as it is, building a new complex will take over pretty much the entire park. There is no parking space , the roads are congested as it is especially the stop sign intersection and it will be a nightmare for the residents if there will be an additional influx of ppl coming to the community Center. Please change the location!!!	9/26/2024 6:46 AM
379	Swimming pool	9/26/2024 6:38 AM
380	A pool complements the recreational activities at the center.	9/26/2024 6:03 AM
381	Warde Ave should be extended as promised for years. Current traffic flow from 59 to de La Seigneurie from Warde is already a problem for the area. A roundabout should be installed.	9/26/2024 5:47 AM
382	Please don't reduce green space to create parking and consider moving it to a different space as already this is single lane road and the traffic is very busy backed up all the way to Lagimodiere from Warde most days	9/26/2024 4:15 AM
383	Thanks in advance for bringing one to Bonavista. Just a suggestion, there should also be a French immersion school.	9/26/2024 3:23 AM
384	A swimming pool and library are most needed in this community. Having that combined with a gym and outdoor rink / indoor arena, would be of great interest to the people of this neighborhood. So many people would benefit and many, many people would use the services!	9/26/2024 1:08 AM
385	Hopefully the new centre doesn't bring drugs and anti social behavior	9/25/2024 11:16 PM
386	Are you planning for public parking space? As a residential area I see a concerning building in that lot and not having space for parking	9/25/2024 11:05 PM
387	Wall climbing (like Altea Active). Mini indoor gym. Indoor salt water aquarium.	9/25/2024 10:51 PM
388	It's important that design be mindful of growing community needs- perhaps including a daycare, if possible. Additionally, green space is so important to maintain, as well as	9/25/2024 10:49 PM

389	N/A	9/25/2024 10:31 PM
390	Swimming pool	9/25/2024 10:25 PM
391	It is a great idea to have a Rec centre. I stronger community bonding is needed.	9/25/2024 10:17 PM
392	It's overdue to have such a facility in the neighborhood	9/25/2024 10:15 PM
393	The first proposal was across the street in the south west corner. Now moves to north east corner, that means that we have less green space. I'd like to see build it as was originally, because one of the main reasons that we choose to buy a house on the neighborhood was for the big green space. I don't think is a good idea remove the soccer field, during summer, fall and spring tons of folks play there.	9/25/2024 10:12 PM
394	Nothing else.	9/25/2024 10:08 PM
395	Pet friendly area	9/25/2024 10:07 PM
396	Please include space for daycare. The wait lists are 4+ years long and many no longer accepting new waitlist applications. A community of so many young families need resources to continue to empower everyone in the family to thrive	9/25/2024 10:06 PM
397	Disability children preferred activities; Rock climbing areas for kids	9/25/2024 9:53 PM
398	This project is good idea but you got the wrong location. First, families that live in Bonavista love our green space so much specially our children. Also Warde and Evelyn Reese corner is such a tight area with all the apartments, condos and town houses and building this project in this corner is the worst thing the city will do for our residents. You will use up our green space too not only for the building but also for parking. Island Lakes and Sage Creek have lots of big green spaces so why not there.	9/25/2024 9:50 PM
399	As I live on the street the park backs on to. I'm concerned about parking. Public parking along our street constantly as there is nowhere really for parking currently, also takes away from our privacy and safety. Also increased traffic in the area as there are no sidewalks for our children to play safely as they search for parking.	9/25/2024 9:44 PM
400	Make sure theres still some green space - bonavista already lacks that	9/25/2024 9:43 PM
401	Warde needs to be twinned, as planned, and/or finished through to St Anne's. The traffic is already backed up onto 59 during rush our. Adding this community centre will make it worse.	9/25/2024 9:43 PM
402	Can't wait, please do this well!	9/25/2024 9:42 PM
403	Nop.	9/25/2024 9:39 PM
404	Canteen	9/25/2024 9:39 PM
405	This is an important project. This Community is growing so much and this is a current need!	9/25/2024 9:33 PM
406	Please plant a variety of trees. I would like a round about for the nearby intersection instead of more stop signs. How about some OUTDOOR simple low tech work out equipment like a chin up bar, sit up assist foot holders, obstacle course, balance bar (can be close to the ground)	9/25/2024 9:29 PM
407	The current roadways are difficult to cross (connected paths) along Warde. There would also be an influx of traffic on difficult streets. Many do not stop at intersections. Difficult walking with children. No parking along current roads.	9/25/2024 9:24 PM

414	Swimming would be very helpful for the children in the community and save us the travel to Bonivital pool	9/25/2024 9:05 PM
415	Start putting up lights around this area!	9/25/2024 9:03 PM
416	Neighborhood and infrastructure does not seem to be a good fit for this location. Sage Creek appears to be a better fit for their type of facility	9/25/2024 9:02 PM
417	The current snow hill, soccer field and path is fantastic. Pickleball courts would be excellent with enough space for large numbers. the Y fermor can not even sustain the capacity there. The class schedules are too limited and geared to seniors/weekday. Year round access to open play would benefit the community.	9/25/2024 8:59 PM
418	A good mix of space would be great. Sports of course but a common area for social/cultural gatherings too. I like what Dakota has with their canteen/Ukrainian food, something more than just chips and chocolate bars. Have a decent kitchen area.	9/25/2024 8:58 PM
419	A small library for kids to spend time at.	9/25/2024 8:56 PM
420	No	9/25/2024 8:56 PM
421	It will be a traffic nightmare unless invested in sufficient parking and widening Warde to 4 lanes	9/25/2024 8:55 PM
422	I think that parking space needs to be hugely considered. Where will people park that don't live near the center and how will that effect the safety of our children that are walking/biking to the center with so many people having to park on the street. Is there an option to move the community center kiddie corner to it's proposed location, to keep that green space, green. I have heard that the kiddie corner option (across Evelyn Reese Blvd from the newly being built apartments) was the original proposed plan, I think that would be a better space.	9/25/2024 8:52 PM
423	A small skatepark would be great. There was supposed to be one near my house, but then the decision was reversed and I was quite disappointed.	9/25/2024 8:48 PM
424	We would love to have a library	9/25/2024 8:41 PM
425	I am against creating a recreation centre. It would take our green space away which lots of kids use. It would create a parking nightmare for the residents of town houses. There is enough noise from loud cars speeding down Evelyne Reese. More traffic would make that worse. We already have long lines at the 4 way stop at de La seignieres and ward and a traffic stop would be the worst mistake	9/25/2024 8:38 PM
426	Would be great to see if there's another viable option to build. It sounds like a lot of people like the big field visually and recreationally for soccer and other field sports.	9/25/2024 8:30 PM
427	My taxes are already too high and this city is broke. Stop spending money we don't have.	9/25/2024 8:27 PM
428	The streets need to be widened or lanes added to accommodate the recreation centre. Currently there is congestion but no community centre. It would be better across the street frankly. Also the park is used quite a bit now with the soccer nets, don't take away too much green space. Also maybe some picnic shelters in the area, a lot of families gather in the park, it's becoming a community hub which is great to see!	9/25/2024 8:25 PM
429	Would really like a swimming pool	9/25/2024 8:24 PM
430	After school activities and sports	9/25/2024 8:24 PM
431	Please consider a parking space!	9/25/2024 8:21 PM

433	Nothing	9/25/2024 8:15 PM
434	Bonivital has been closed for a year for the second time in 5 years so I don't really feel I can trust facilities in the area to stay open	9/25/2024 8:11 PM
435	NA	9/25/2024 8:09 PM
436	Please have sufficient parking	9/25/2024 8:03 PM
437	The proposed has no parking on the street around it . The area is very congested already with traffic. The community centre will only make it worse. The four way stop at Warde and de La	9/25/2024 7:56 PM

Bonavista Recreation Centre Survey

seinguire has a large amount of traffic that can flow properly. The CC at the end of warde will cause further traffic problems

438	Why are you building a new facility when existing well-used facilities in established areas are crumbling or being moth balled (e.g. outdoor swimming pools)?	9/25/2024 7:55 PM
439	No	9/25/2024 7:48 PM
440	I think the proposed location isn't ideal .. I feel there isn't enough room for parking and putting in a rec centre plus outdoor rinks and soccer fields	9/25/2024 7:45 PM
441	Pool for swimming please	9/25/2024 7:38 PM
442	This is a logistical nightmare for this area. We do not have a set of lights, with only 2 4-way stops that are continuously backed up. If we add a recreation centre we will cause way more traffic issues, plus eliminating our beautiful park area.	9/25/2024 7:35 PM
443	No	9/25/2024 7:27 PM
444	As mentioned I'd love to see a dog space. With the areas growing with families between bonavista, island lakes, and sage creek this would be something that all communities would need and appreciate.	9/25/2024 7:22 PM
445	I have concerns on the location. We live in the area and there really is not much space at the proposed site. There is no parking, single lane traffic, a busy intersection, and limited green space. Adding a community centre would increase the traffic even more, and where will people park. If adding a parking lot as well, that takes away even more of our green space.	9/25/2024 7:20 PM
446	Warden requires a roundabout. And other areas of island lakes, DLS should have speed bumps like river park south	9/25/2024 7:19 PM
447	Would be beneficial to have small storage areas that have access to a common room. This could be used to store community sport team items/supplies. Winnipeg East Female Hockey association for example... storage of hockey jerseys, youth goalie equipment supplied to kids starting in goal, player socks, tournament supplies etc.	9/25/2024 7:17 PM
448	Warde extension needs to be opened adap for this. The traffic here is already atrocious and only going to get worse. Traffic control would be ideal also, a roundabout would be ideal.	9/25/2024 7:16 PM
449	Lot seems very small to accommodate building and parking without taking too much of the developed green space and soccer field	9/25/2024 7:13 PM
450	Do something for seniors	9/25/2024 7:11 PM
451	I feel that the proposed site is not going to be a good idea. We already have issue with people parking where they shouldn't and speeding is always an issue. There is also the fact that this will increase traffic. There are so many children that live around here and this area will be horrible for traffic, parking, speeding and late night antics and thefts	9/25/2024 7:11 PM
452	Baseball diamond(s) would be great as well.	9/25/2024 7:07 PM
453	I do have concerns about the proposed location. I am ecstatic that Bonavista will be getting a community centre, however I would like to understand how the traffic will be managed and where people will park. There is no parking allowed on warde, and limited parking along Evelyn Reese that residents rely on. I will also be sad to see green space taken up by a large building, given how well the park is used. I very much look forward to using the community centre, but am curious and unsure about the parking issue.	9/25/2024 7:03 PM
454	A golf driving range	9/25/2024 7:03 PM
455	I like the idea of a Recreation center and always wondered why we did not have any in Bonavista	9/25/2024 6:59 PM
456	Please make a pool	9/25/2024 6:57 PM
457	Leadership required that would support the community and not solely make decisions based on profit/ select elite groups and effort	9/25/2024 6:57 PM
458	Please think in the parking areas . Nowadays there is no place to park on the streets and this will be crowded . Also please do not rent the places I have seen in Lindenwoods it was always booked and never had the chance to use the rooms	9/25/2024 6:49 PM

Bonavista Recreation Centre Survey

459	This space unfortunately feels too small to accommodate a worthwhile recreation centre. It seems as if the city is always playing catch up on what an area needs rather than having the foresight to plan. For example, Warde Ave is already extremely backed up, sometime to Lag, from when school ends until after rush hour. Adding a light a DLS and Warde is not going to cut it. Warde needs to be connected through to St Anne's to have another way into the community and should be double laned. This development is beyond phase 6. Why are we taking away green space to add a small rec centre that won't be able to meet the the community's needs?	9/25/2024 6:45 PM
460	Terrible location! No parking, congestion, takes away the green space. There are lots of kids in this area, the traffic would be horrendous for the safety of these little ones	9/25/2024 6:44 PM
461	I am extremely concerned about the extra traffic this will bring De Le Seigneurie at Warde. A round about is needed and NOT a traffic light.	9/25/2024 6:43 PM
462	We really need another splash pad or an outdoor pool or an indoor pool Bonivital pool Is overloaded We need another pool	9/25/2024 6:38 PM
463	I would like a basketball court, more swings	9/25/2024 6:38 PM
464	There is very limited traffic access to the area. Prior to anything being planned, traffic access and the installation of lights must be considered.	9/25/2024 6:33 PM
465	Senior services are important to me and lower prices. Maybe a benefit on income taxes	9/25/2024 6:33 PM
466	Traffic will be an issue. Warde and DeLaSeignurie needs a traffic circle to manage traffic from Sage Creek. A bridge needs to be added to manage traffic from Royalwood. Otherwise, all traffic will flow down Island Shore Drive to Evelyn Reese to the site. Traffic on this route is already high volume, steady, fast, and drivers ignore the school zone. It's becoming a significant safety problem in Island Lakes.	9/25/2024 6:33 PM
467	Hope parking is properly accounted for.	9/25/2024 6:31 PM
468	Traffic is a problem in the area and construction isn't finished yet. This would make it worse.	9/25/2024 6:22 PM
469	Currently traffic is backlogged . A roundabout on warde ave would keep traffic flowing	9/25/2024 6:22 PM
470	The intersection to get in to bonavista from 59/Lag is very congested. This would make it much worse. Needs a round about or something like in Sage creek. Poor road planning.	9/25/2024 6:22 PM
471	An indoor track would be nice.	9/25/2024 6:22 PM
472	Would love pickleball courts indoor and outdoor. The island lakes ones are pathetic and definitely need renewing.	9/25/2024 6:21 PM
473	Flag football is the fasting growing sport. Put in an indoor turf field so that football has a place to play. Why do we keep creating soccer fields? There are enough in the city. Create a space for football!	9/25/2024 6:21 PM
474	This is very exciting!	9/25/2024 6:19 PM
475	Bonavista and Sage creek badly needs a conventional gym and a recreational hall with a stage for hosting birthday parties etc	9/25/2024 6:18 PM
476	Finish Warde Avenue through Royalwood.	9/25/2024 6:14 PM
477	No thanks	9/25/2024 5:59 PM
478	Need an off leash area for dogs.	9/25/2024 5:55 PM
479	no	9/25/2024 5:44 PM
480	This is a poor location for more than one reason. Parking, traffic, current residential use, destruction of used green space and that corner is horrible for blowing snow and lack of visibility in the winter already.	9/25/2024 5:43 PM
481	Build a school	9/25/2024 5:40 PM
482	Maybe another playground. The hills that were originally at the park were destroyed and not rebuilt	9/25/2024 5:33 PM

484	I am not getting any swimming slot for my daughter who's 5 years old so I am actually looking forward to it	9/25/2024 5:27 PM
485	Please do not take away what the existing park currently offers. This includes the soccer space (which is used daily by both adults and kids). While I'm thrilled to potentially have a recreational centre in this area, we have beautiful green space that is used by many every single day. I don't want that to change.	9/25/2024 5:25 PM
486	Location is not good! Bonavista and island lakes too busy. Especially that warde intersection. Different location in sage creek!!	9/25/2024 5:23 PM
487	Swimming pool and indoor soccer. There's nothing in the area	9/25/2024 5:17 PM
488	Parking would be a necessity.	9/25/2024 5:12 PM
489	Instead of a community centre how about building a school. Education is more important than getting money from the public. Our school is overpopulated but by all means waste the space that should be a school and make it a place you go to spend our hard earned money. Don't hold the developers accountable for prioritizing profit over education.	9/25/2024 5:11 PM
490	Perhaps consider building a SCHOOL. Instead of a recreation complex. That would be much more useful to the residents.	9/25/2024 5:05 PM
491	We are concerned about how busy that corner will be and parking for this additional recreation center. Warde is extremely busy after work/school hours and this will increase traffic in this area. How will this be dealt with? Traffic lights or making warde two lanes?	9/25/2024 4:58 PM
492	will there be swimming?	9/25/2024 4:51 PM
493	Having a track seems to attract lots of people, including myself.	9/25/2024 4:47 PM
494	Affordability for classes is important to our family	9/25/2024 4:41 PM
495	We need more swimming options in south Winnipeg (indoor).	9/25/2024 4:41 PM
496	It has to be a year around facility for all ages to use. With ease of access and safe passage across Highway 59 for the Residents Young and old to get there safely - Maybe an underpass	9/25/2024 4:31 PM
497	Concerns regarding increased traffic in an area that is high density housing. Need better infrastructure to ease flow of traffic in and out of the proposed area	9/25/2024 4:23 PM
498	The closest outdoor hockey rink available to kids in Sage Creek, Bona Vista and Island Lakes is a 45 min walk or over 10 min drive away! It is disappointing that it has taken this long and will still be another 2 years before construction begins.	9/25/2024 4:23 PM
499	Love the idea. I live in the area and this is very needed.	9/25/2024 4:22 PM
500	The location would reduce the size of the Binavista par. The location should be reconsidered due to the lack of space, parking and excess of traffic in the quiet area	9/25/2024 4:20 PM
501	Indoor pools would get many people involved in our area. You want it to be a success add an adult and child sized pool.	9/25/2024 4:12 PM
502	Swimming pool	9/25/2024 4:04 PM
503	A bus route and an earlier accomplishment of this project would be appreciated	9/25/2024 4:02 PM
504	please add a roundabout or a right turn lane at warde and de la seigneurie. already enough traffic without a rec center being open	9/25/2024 4:01 PM
505	There are positive and negative to this centre. Would be more traffic, going thru the area, as there is speed concerns presently.	9/25/2024 3:56 PM
506	It would be great if they have swimming,karate and ice skating lessons for kids	9/25/2024 3:54 PM
507	For the question about how often would I visit... I can't answer that without knowing what programming will be offered there. It could be never or it could be weekly. It's a hard question to answer at this stage.	9/25/2024 3:52 PM
508	Very necessary addition to the community! I know the money may not be there for it but making the complex architecturally interesting, having landscaping etc that provides shade	9/25/2024 3:50 PM

511	I think the location is good and will really help the neighbourhood. Having another child care provider in it would also be wonderful.	9/25/2024 3:42 PM
512	would love to have a community centre for our community, but I also treasure the green space we currently have at that location, where kids can have enough space for doing different activities that do not necessarily need a net or court for that (e.g. field tracking, football, etc.)	9/25/2024 3:42 PM
513	Hockey rink	9/25/2024 3:40 PM
514	Stop leaving existing facilities to waste, while spending money on new ones. This should not be built unless and until places like Happyland and Archwood (and others) are fully funded and operational.	9/25/2024 3:37 PM
515	None	9/25/2024 3:37 PM
516	Yes, traffic is already congested at Lag and Warde and traffic lights need to be installed immediately. Speed is a hazard on many of our streets, with people going in excess of 60, including school zones and/or passing school buses. Lastly, Waterfront Road is being used as a major artery from Abonijii and Lakewood to get to either Bonavista or to Sage Creek which has caused several accidents and children can no longer play hockey on the street.	9/25/2024 3:35 PM
517	Outdoor picnic table	9/25/2024 3:35 PM

526	I think this would be a great addition	9/25/2024 3:22 PM
527	There are ALOT of young kids in the area and not a lot of childcare, especially come summer. Summer day camps offered at the new rec centre would be an enormous benefit to many families in the surrounding area during summer break	9/25/2024 3:18 PM
528	What happened to the proposed Skatepark for Bonavista? If the proposed Skatepark has been cancelled, please incorporate a skatepark into the design of this rec centre. Thanks!	9/25/2024 3:18 PM
529	Please invest more in core area rec	9/25/2024 3:16 PM
530	we need a gym in the area to allow folks a place to go do their own workouts. Not Orange Theory or class based programs.	9/25/2024 3:16 PM
531	Would be great if there was an indoor play space (st vital mall has one) as most in the city you have to pay memberships to use them. Would be so amazing to have a place for young kids (1-4ish) to play during winter months. Maybe something for young kids and something else for older kids more like an outdoor play structure- I really think it would attract a lot of families!	9/25/2024 3:16 PM

538	I wish they would pick a different spot to use, this will remove most of the green space and cause even more traffic. To the area as well as the fact that there is very limited parking.	9/25/2024 2:44 PM
539	Have at least 2 hockey rinks, 4 pickleball courts (the more the better as it's becoming more popular). It should have a swimming pool as there aren't any close by for kids swimming lessons.	9/25/2024 2:44 PM

546	Please consider to have a gym 24/7	9/25/2024 1:49 PM
547	There would need to be a big enough parking lot as there is no where to park currently near that park. I hope the look out point that is currently in the park and the paths can remain there. It would be nice to have a little dog run/enclosed play area for them as there isn't one anywhere in the area.	9/25/2024 1:47 PM

553	Why are you closing facilities in St. Boniface and other areas where low income families need them and building yet more brand new facilities in South Winnipeg. Don't build this.	9/25/2024 1:28 PM
554	Would like the city to consider roller sports. Only wheelies offers and it is north of the city and limited times.	9/25/2024 1:27 PM

559	There are plenty of underutilized gyms in the LRSD area so another gym/court isn't necessary.	9/25/2024 12:57 PM

	An indoor turf facility like the one in Winkler is sorely needed	
560	I am against my tax dollars paying for another rec centre for the suburbs. Let's see tax dollars paying for rec facilities closer to downtown. That would help with the revitalization of the core. Let the suburbanites drive downtown for recreation.	9/25/2024 12:54 PM
561	There is little to no on street parking in the area. It would be very unfortunate if much of the current green space was paved over as what drew many residents to the area was a big open space and walking trails. Please provide the public with more information about actual plans and proposed footprints - in particular, residents with yards adjacent to the greenspace should be consulted as our market values will be directly impacted.	9/25/2024 12:53 PM
562	How can you make this more accessible to Transcona? Or why are you not building one in Transcona as well?	9/25/2024 12:49 PM
563	For there to be a 24/7 gym with a membership fee to use it.	9/25/2024 12:48 PM
564	Traffic on Warde, specifically the intersections at De La Seigneurie and Evelyne Reese is going to be insane if this gets built. As much as I'd like to see a community centre in the area, the increased traffic really puts me off of this location, as does losing all that green space. I would also hate traffic lights at those intersections, but it's probably inevitable.	9/25/2024 12:45 PM
565	I just thing the location is top small for a good recreation community centre together with the football (soccer) field already located there	9/25/2024 12:43 PM
566	Please work with local roller skaters to understand what we do and how we roll (haha!)! While the city has space for park skating (skateboard parks) there are little to no options for workshops and classes for roller fit (basically aerobics) or roller dance (also known as jam skating). We are a winter city, and as soon as it gets too cold or the snow flies, our already limited space options become extremely limited.	9/25/2024 12:33 PM
567	daycare	9/25/2024 12:29 PM
568	Street parking and vehicle traffic would need to be addressed . The current street layout in the area will not handle a larger influx of traffic . Added street parking on p3 streets due to events may cause issues with residents.	9/25/2024 12:21 PM

577	You close Happyland pool which the only activity the kids around have but build a brand new facility in an area/park where activities already exist Shame on the city and specifically Matt Allard.	9/25/2024 12:01 PM
578	I enjoy and appreciate the natural greenspace in our neighbourhood. As much natural greenspace that can be maintained would be appreciated.	9/25/2024 11:56 AM
579	I am concerned that adding building(s) and parking spaces into the park will reduce green space. I think there should be more trees.	9/25/2024 11:46 AM
580	I am VERY concerned about the lack of options in St. Boniface/Old St. Vital all the way to Dakota; I feel this Bonavista Centre is almost redundant to Johnathon Toews and would prefer to see more immediate attention to building new facilities North of Sage Creek and easy access for St. Boniface residents who may not be able to afford either the cost or time of going as far South as this centre would be located.	9/25/2024 11:46 AM
581	I am very concerned about the traffic. There is already only one entrance to Bonavista (Warde	9/25/2024 11:43 AM

Ave), which is increasingly dangerous and needs a round about. Most residents do not exit there, they travel down de la Seigneurie and Island Shore exits through Island Lakes. Speeding and heavy traffic are huge concerns and have not been addressed. I'd like to see some improvement on this prior to this rec center that will make it worse and the further expansion south of Bonavista.

582	Thank you for making this happen	9/25/2024 11:39 AM
583	No	9/25/2024 11:35 AM
584	The only thing that would concern me with this project is that the current roadway would have to be twinned. Currently it is extremely busy trafficwise on Warde. With the increase of new apartment buildings and housing, the addition of a rec centre would require the need to twin the road.	9/25/2024 11:22 AM
