Appendix B – Open house presentation boards

Bonavista Recreation Centre

Open house | June 2025

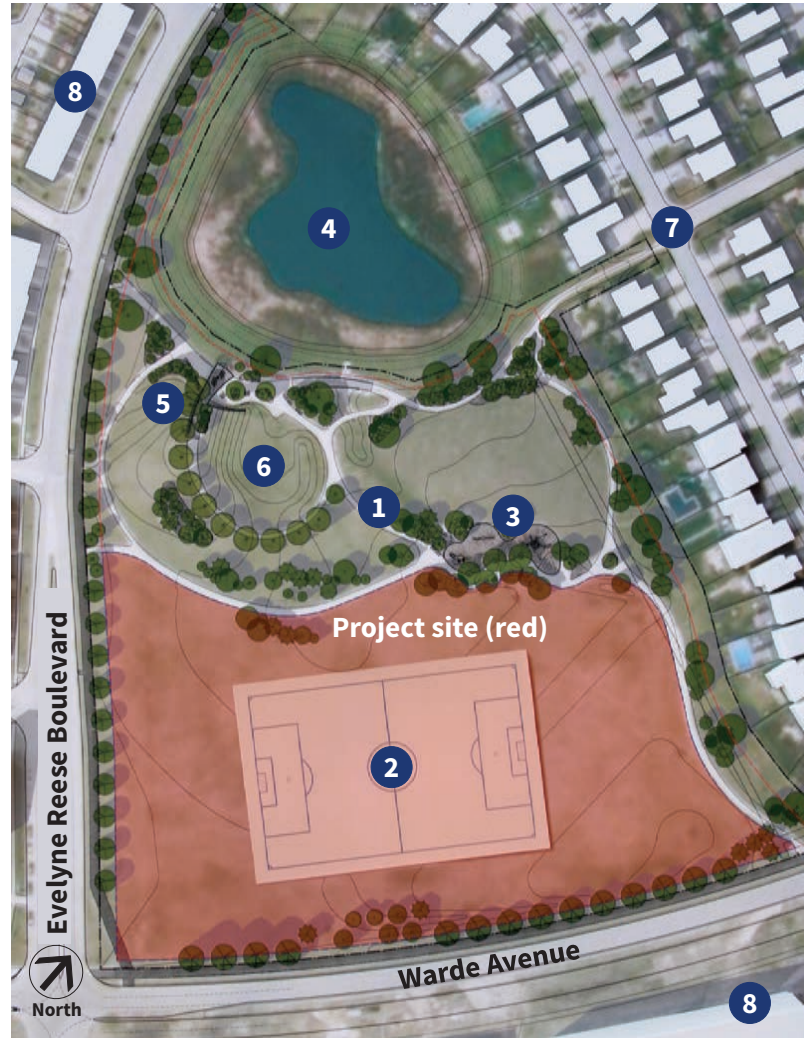

Background

- We are looking at building a new recreation centre in southeast Winnipeg to meet the needs of the growing community.
- The proposed recreation centre will be approximately 20,000 square feet. It will include a gymnasium and multi-purpose rooms.
- The proposed recreation centre will be located in Fraipont Park, near the intersection of Evelyne Reese Boulevard and Warde Avenue.
- The Winnipeg Recreation and Parks Strategies will guide the project.

Project site

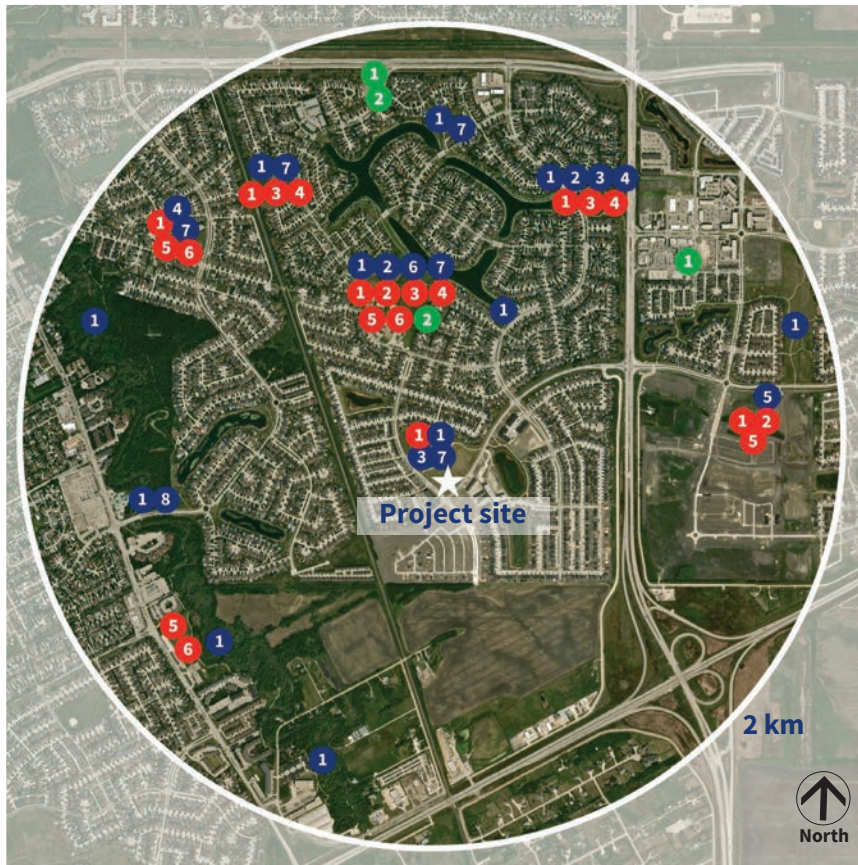

- The site (highlighted in red) is planned for the western half of Fraipont Park.
- The existing toboggan hill, play area, boardwalk, and lookout will not be impacted.
- The existing soccer field will need to be relocated.

- 1 Fraipont Park
- 2 Soccer field (U18, three-quarter size)
- 3 Play area
- 4 Retention pond
- 5 Boardwalk and lookout
- 6 Toboggan hill
- 7 Single-family housing
- 8 Multi-family housing

Existing recreation

We looked at what indoor and outdoor recreation amenities are in the area. This helped identify what amenities the area has plenty of, and what amenities the area lacks.

Recreation gaps

- There are very few of the following **outdoor** amenities within 2 km of the site:
 - Pleasure skating rinks
 - Covered picnic areas
 - Public gathering spaces
 - Basketball courts
 - Tennis courts
 - Pickleball courts
 - Multi-use greenspaces
- There are none of the following **indoor** amenities within 2 km of the site:
 - Public gathering spaces
 - Basketball courts
 - Pickleball courts
- There are no public gyms with weights, cardio, and group fitness classes within 2 km of the site. However, there are two private gyms nearby.

Phase 1 public engagement

In fall 2024, we asked residents what programs and recreation amenities they would like to see. Here is a summary of Phase 1 public engagement:

4,984 postcards

4 digital display ads

10 social media posts

5,672 newsletter emails

3,304 webpage visits

1,366 survey responses

Phase 1 public engagement - what we heard

The top five indoor sports were:

1. Group fitness classes
2. Basketball
3. Soccer
4. Yoga
5. Pickleball

The top five outdoor amenities were:

1. Picnic and sitting areas
2. Pleasure rink
3. Basketball court
4. Tennis court
5. Pickleball court

The top five indoor programs were:

1. Reunion/birthday/party rental space
2. Leisure or “learn-to” programs
3. Arts and crafts, such as pottery or painting
4. Dance
5. Craft markets/fundraising sales

The top concerns were:

1. Loss of greenspace and impact to trees
2. Parking availability
3. Increase in traffic

Design

- We created a draft design for the proposed recreation centre.
- The design was guided by:
 - Opportunities and constraints found during the site assessment
 - Service gaps found from the review of nearby recreation amenities
 - Input from residents in fall 2024 and stakeholders in winter 2025

Proposed site layout

- 1 Recreation centre building** – near the intersection for a strong street presence.
- 2 Parking lot** – 114 parking stalls, including accessible stalls.
- 3 Parking lot entrance/exit** – along Evelyn Reese Boulevard, across from Bonaventure Drive West.
- 4 Drop off** – convenient pick-up and drop-off near the entrance for vehicles and Winnipeg Transit Plus.
- 5 Crosswalk** – a safe route through the parking lot for pedestrians.
- 6 Paved/gravel paths** – new paths to connect the building with outdoor amenities, Warde Avenue, and the existing park.
- 7 Waste enclosure** – hides garbage and recycling bins.
- 8 Outdoor plaza** – the building is set back slightly from the street for a covered plaza area.
- 9 Bike racks** – for secure bike storage.
- 10 Transit stop** – a new transit stop in front of the building.

Proposed outdoor recreation

- 1 **Soccer field** – new soccer field will be the same size as the current soccer field.
- 2 **Four pickleball courts** – central location is further from nearby homes to reduce impacts of noise.
- 3 **Basketball court** – central location is further from nearby homes to reduce impacts of noise. This area is fenced.
- 4 **Multi-use greenspace** – for a variety of activities such as gatherings and informal sports (frisbee, tag).
- 5 **Multi-use paved space** – for a variety of activities such as gatherings, markets, and informal play (biking, skateboards, chalk).
- 6 **Picnic shelter** – located near the parking lot and existing park for easy access.

Proposed floor plan

- 1** Entrance
- 2** Lobby
- 3** Service room
- 4** Gender-neutral and accessible washrooms
- 5** Gendered washrooms - separate men's and women's washrooms
- 6** Gymnasium - full size, hardwood floor
- 7** Multi-purpose rooms - two rooms with moveable divider
- 8** Storage room
- 9** Servery/kitchen
- 10** Office - for recreation centre staff
- 11** Corridor - with seating and lockers
- 12** Meeting room - for small meetings and classes of 10 to 25 people
- 13** Exterior plaza - for outdoor gatherings, markets, yoga, fitness, and seating

#	RESPONSES	DATE
1	The features that will create noise and congestion are not equitably distanced from houses. Those living near Evelyn Reese or Bonaventure Drive will face more challenges with this design. It would be great if the entrance was off Warde, and the buildings used to block noise from the basketball and pickleball courts (either that, or move those so they are more centrally located).	6/30/2025 2:25 PM
2	No	6/30/2025 10:15 AM
3	Location is too far	6/29/2025 1:41 PM
4	There's limited access for Royalwood residents still until Warde is connected.	6/27/2025 9:15 PM
5	does it have a gym for pickleball . what about a skating rink indoors .	6/27/2025 11:23 AM
6	Separate point of entry and separate exit please for better traffic flow during large events.	6/27/2025 9:48 AM
7	It might be ideal to have a secondary point of vehicle egress to the parking lot.	6/26/2025 4:18 PM
8	Why just pickleball? Can you no do 1 squash court.	6/25/2025 8:30 PM
9	need a roundabout at Warde and de la Seigneurie - crazy amount of traffic from work commuters and school busses	6/25/2025 2:55 PM
10	I have some concerns about the possibility of parking despite there being a large lot will there be signs installed to prevent people from filling up residential streets with parked cars/	6/25/2025 2:46 PM
11	Please build a roundabout at De la Seigneurie @Warde	6/25/2025 2:06 PM
12	None.	6/25/2025 11:26 AM
13	Good location	6/25/2025 10:31 AM
14	Access to parking lot via Warde? Transit Stops? Traffic concerns -Island lake	6/25/2025 10:29 AM
15	No street parking	6/25/2025 10:27 AM
16	looks great	6/25/2025 10:23 AM
17	This looks great - lots of amenities	6/25/2025 8:54 AM
18	I think it's a little awkward. The positioning I mean. As someone who walks and also goes the recreational centres I enjoyed just looking at the greenery as I walked in the path. Looking at a building that's that close to the street seems like an awkward idea	6/23/2025 6:01 PM
19	I strongly support the proposal to build a new community center in our area. A well-designed, accessible community center can offer tremendous value to our neighborhood. It can become a hub for people of all ages—providing space for youth programs, senior activities, fitness, cultural events, and public meetings. Especially as our population grows and diversifies, having a shared space that brings people together will help strengthen the sense of community and inclusion.	6/23/2025 5:44 PM
20	Area does not need this, there are tennis courts and a basketball court at island lakes school. If you want to add more fix those ones up and add some more. A lot of people use this green space every night and this will eliminate that as an option.	6/23/2025 1:52 PM
21	I wish there was an indoor walking/running track	6/23/2025 10:48 AM
22	I am concerned about the amount of green space this will be taking up	6/22/2025 1:18 PM
23	Should have outdoor skating rink	6/20/2025 8:44 PM
24	Parking on Ward Av allows access or exit regardless of the direction in which you are driving,	6/20/2025 1:19 PM

Bonavista Recreation Centre - Phase 2 Survey

	whether turning right or left.	
25	No	6/20/2025 10:55 AM
26	We are very close to both tennis courts and basket ball courts already at island lakes. We need outdoor hockey space. The closest is either across st Anne's or across bishop. We need one in this corner of the city much more than we need tennis courts and basket ball courts. Otherwise, it looks great.	6/20/2025 9:55 AM
27	There needs to be dedicated pickleball courts!	6/20/2025 8:17 AM
28	2 outdoor basketball courts	6/19/2025 10:16 PM
29	Strongly request to have an indoor pool.	6/19/2025 4:33 PM
30	Location of soccer field likely will encourage parents to drop off & pick up kids on Warde Ave and cause bottle necking. Some may park on road to watch. Should address this in advance	6/19/2025 2:54 PM
31	Outdoor needs a hockey rink! Not just ice	6/19/2025 2:47 PM
32	Looks good - would it be handicap friendly	6/19/2025 2:01 PM
33	Lack of local planning is already a problem - this will increase even more with new apartment being built. No crosswalks, need roundabout no lights @ intersection	6/19/2025 1:56 PM
34	Major concern is entrance to parking lot from Evelyn Resse- also with Bus stop @ Evelyn Resse = Warde	6/19/2025 1:52 PM
35	This lots great- lots of amneties	6/19/2025 1:28 PM
36	Increase in traffic especially down Evelyn Ress need a stop sign @ Bonavista Dr E (south).	6/19/2025 1:23 PM
37	would prefer having traffic flow from warde, rather than down island share, past school(which is impossible in winter due to traffic at dropoff/ pick up times)	6/19/2025 11:12 AM
38	Can the pickle ball courts be tennis courts? They can serve as both if they are built as tennis courts. On the east side of the soccer field there is a path. I cross warde with strollers a couple times a week. I see many other people on that side of warde doing the same. We have to jump a curb to make it over. Could there be a better path to safely cross Warde? This center looks great. I'm looking forward to taking the family there. Thanks!	6/19/2025 10:46 AM
39	The parking lot entrance should NOT be off Evelyne Reese - this is going to create even more congestion than there already is. Most realistic parking lot entrance should be off of Warde to cause minimal impact to residents.	6/19/2025 10:09 AM
40	It is nice	6/18/2025 10:26 PM
41	Option for ice skating rink	6/18/2025 9:12 PM
42	Need better handicap and handi transit parking spots and pickup/drop off at the doors with slopes for wheelchair	6/18/2025 8:05 PM
43	None	6/18/2025 7:55 PM
44	No	6/18/2025 7:49 PM
45	We need a pool and hockey arena either in Sage Creek or Bonivista	6/18/2025 7:46 PM
46	Needs another entrance/exit into parking lot. Only one, is going to make it difficult for everyone. Needs more trees/ shaded areas for people who are outside. Needs access to transit.	6/18/2025 6:50 PM
47	No	6/18/2025 6:30 PM
48	Perhaps a second parking lot east of the soccer pitch	6/18/2025 6:17 PM
49	I am still concerned regarding the level of car traffic it will bring to the two intersections/4-way stops near by (Warde/Evelyn Reese and Warde/De la Seigneurie). The backups in this area is already concerning and excessive during rush hour.	6/18/2025 5:47 PM
50	This will take away too much green space. A new site should be found	6/18/2025 1:49 PM
51	It looks nice	6/17/2025 8:23 PM

Bonavista Recreation Centre - Phase 2 Survey

52	Increased traffic volume needs to be addressed..	6/17/2025 12:51 PM
53	It should have an outdoor skating rink	6/17/2025 9:51 AM
54	Don't build this. This city can't maintain central bridges. Don't spend money we don't have on things we won't be able to maintain.	6/16/2025 11:19 PM
55	There should be an outdoor rink before Pickleball courts.	6/16/2025 11:12 PM
56	2 ways in & out	6/16/2025 5:20 PM
57	I believe that Warde and Evelyne is in desperate need of a roundabout to lower traffic times at the stop sign during rush hour. Unless already considered, I would recommend leaving enough space so that the intersection can be changed in the future.	6/16/2025 12:39 PM
58	do you really need that much parking? it seems a bit much seeing as people live close by... less car dependency would be nice in the surrounding area	6/16/2025 10:33 AM
59	We need a pool! We don't need another place with just a gym and rooms. And an outdoor rink!! There are too many kids over here with nothing in this area.	6/16/2025 9:18 AM
60	Can we use opposite side?	6/16/2025 12:24 AM
61	I always appreciate more greenspace. If that's allowable, then I'd appreciate the consideration	6/15/2025 3:29 PM
62	I was wondering if there is room for a cricket pitch or mound to be installed. Also why not build beside island lakes school so there can be shared resources or LRSD could rent some facilities for after school use. Also will there be a pool. Boniface Vital is terrible as a pool site and such a small pool/workout complex.	6/15/2025 2:07 PM
63	Site plan looks great	6/14/2025 11:27 PM
64	Parking along the length of the building so more spots are close to the doors in winter.	6/14/2025 10:13 PM
65	It is far too large. Takes up valuable green space. It will worsen traffic flows in the area. Warde is already very congested at rush hour.	6/14/2025 7:11 PM
66	Ensure trees planted and park bench's included to enhance the location for nearby residents / seniors	6/14/2025 1:31 PM
67	I will appreciate we have a swimming pool and racing track	6/14/2025 8:35 AM
68	No	6/14/2025 6:47 AM
69	Can we have increased child care facility. We are really struggling to get daycare spots around this environment.	6/14/2025 6:40 AM
70	Sad to see parking taking up so much green space. Lives the open field and soccer space. With so much open land around us - why does it need to be crammed in this beautiful corner.	6/14/2025 4:10 AM
71	No	6/13/2025 4:01 PM
72	I'm not sure we have to many parking lots. In case of 100+ parking lots it's probably better to build extra tennis cord or something like this.	6/12/2025 9:21 PM
73	Not sure if soccer field is needed at all. Maybe better to build a bigger community centre or make a park with more trees.	6/12/2025 9:01 PM
74	Add a pool	6/12/2025 8:21 PM
75	It needs a place to skate and shoot pucks. There are more pickleball courts around than rinks, why add more pickleball?	6/12/2025 5:51 PM
76	No	6/12/2025 4:55 PM
77	There is a lot of green space around the soccer pitch that could be used differently with more purpose.	6/12/2025 9:00 AM
78	Full soccer field? Track around soccer field if going to be small? Pickle courts double as tennis courts or no?	6/11/2025 10:50 PM
79	Have you considered a skate park? I know there is a pump track near by. However it is difficult	6/11/2025 10:48 PM

Bonavista Recreation Centre - Phase 2 Survey

for young teens and kids to go there as they must cross a major / busy highway

80	Why is there no pool? We need a pool here	6/11/2025 7:13 PM
81	Need to ensure there is the twinning of Warde in conjunction with this project. Will need the additional parking - not enough on the side streets	6/11/2025 2:38 PM
82	No	6/11/2025 9:18 AM
83	Basketball	6/11/2025 7:20 AM
84	None	6/11/2025 6:18 AM
85	No	6/11/2025 1:29 AM
86	This is a beautiful green space where many families and children often play and gather in the summer. While I am not against a community centre, removing existing green space to build it would be a huge loss for the community. There has to be some undeveloped land that can still be used.	6/10/2025 11:47 PM
87	Waterpark or pool needed	6/10/2025 11:17 PM
88	Outdoor rink and a gym.	6/10/2025 10:59 PM
89	Nice initiative . We are happy	6/10/2025 10:13 PM
90	None	6/10/2025 9:25 PM
91	This site eliminates the main green space for an area lacking in it and the facility doesn't meet the needs of the community. The amount of traffic this design will place on a residential street is not safe for the area and would be better suited for a larger plot	6/10/2025 9:15 PM
92	Too much traffic in a small residential area already too much	6/10/2025 9:09 PM
93	Please consider installing cctv cameras surrounding the area	6/10/2025 9:04 PM
94	Disagree with location strongly. This narrow one lane street already has problems with parking and navigating past parked cars along with too much traffic that goes all the way back to Lagimodiere even due to ill advised 4 way stop signs.	6/10/2025 8:34 PM
95	There should be an indoor olympic size swimming pool. Reduce or remove the soccer pitch to accommodate a pool	6/10/2025 8:05 PM
96	In my opinion the parking lot along with entrance/exit should be on Warde Avenue, because it doesn't have any connections with other streets towards Evelyne Reese Blvd. It will reduce the chance of collisions.	6/10/2025 7:38 PM
97	Could include pool?	6/10/2025 7:37 PM
98	Expansion of the road close to the entrance might be necessary to handle the flow of the traffic.	6/10/2025 7:36 PM
99	[REDACTED]	[REDACTED]
[REDACTED]	Looking forward to this project.	6/10/2025 7:29 PM
101	Great initiative!	6/10/2025 7:23 PM
102	Great	6/10/2025 7:05 PM
103	Takes up too much of the park	6/10/2025 7:02 PM
104	Skating rink would be more unique than basketball courts	6/10/2025 6:56 PM
105	Need connection from walking path across Warde avenue	6/10/2025 6:29 PM

Bonavista Recreation Centre - Phase 2 Survey

106	None at this time	6/10/2025 4:40 PM
107	Would like to see a similar field house to Dakota with running track above and multi-use for basketball court, in winter outdoor skating rink.	6/10/2025 4:38 PM
108	Need to consider high traffic volumes generated along Warde. The intersection of Warde and De La Seigneurie is already too busy and backed up frequently	6/10/2025 4:34 PM
109	We need a pool facility.	6/10/2025 4:08 PM
110	ADD A OUTDOOR POOOOOL!!	6/10/2025 4:07 PM
111	No	6/10/2025 3:28 PM
112	N/A	6/10/2025 12:45 PM
113	I dont believe the roads can handle such a parking lot wont this make the 4 way stop dangerous for pedestrians if you are planning for that much traffic	6/10/2025 11:20 AM
114	Curious if you have a splash pad or pool	6/10/2025 10:45 AM
115	The existing playgrounds in the area are lacking, could use an improved one	6/10/2025 9:29 AM
116	Where are the locker rooms. Would like to see a full gym.	6/9/2025 10:40 PM
117	Pickleball!	6/9/2025 10:38 PM
118	Would there be available space to include a splash pad or other water feature? Is there an ability to include outdoor ice hockey rinks that would replace the soccer field in winter months?	6/9/2025 10:29 PM
119	It looks great! It would be nice if we could get a swimming pool on the vacant land adjacent it.	6/9/2025 10:12 PM
120	That entry/exit location will only cause more traffic issues on top of the existing issues. There needs to be adequate parking so people don't park in non-parking areas like they currently do. There should also be more green space than is being proposed.	6/9/2025 8:57 PM
121	phase 2 parking could be a bit less	6/9/2025 8:24 PM
122	The proposed site does not include a tennis court. Emphasis is only for pickle ball.	6/9/2025 8:13 PM
123	Needs a pool	6/9/2025 8:05 PM
124	Be nice to see indoor pickleballs courts too	6/9/2025 7:27 PM
125	This area is in desperate need of an off leash dog area. Very disappointed to see nothing proposed.	6/9/2025 7:08 PM
126	No need	6/9/2025 6:14 PM
127	We don't need anything on park	6/9/2025 5:11 PM
128	Top priority for is an 2 outdoor hockey rink.	6/9/2025 5:06 PM
129	South end of city could greatly use either outdoor or indoor hockey rinks	6/9/2025 4:18 PM
130	Where is the hockey rink? That should have been the top priority in designing this community facility	6/9/2025 2:41 PM
131	Recreation centre	6/9/2025 2:23 PM
132	Probability of more than one entry and exit to avoid traffic	6/9/2025 2:22 PM
133	Why are you taking away from the greenspace for some useless building?? Warde needs to be finished before anything else is done in this area!!	6/9/2025 1:18 PM
134	Why not include a gym w weights, cardio equipment etc? We have nothing in the area	6/9/2025 11:52 AM
135	Can we not ruin this beautiful and quiet neighbourhood with a recreational centre	6/9/2025 11:08 AM
136	Will it have a walking/running track inside the arena?	6/9/2025 10:07 AM
137	I love that there is more pickleball courts	6/8/2025 3:09 PM
138	The parking lot is massive, should prioritize making it accessible without a vehicle	6/8/2025 3:05 PM

Bonavista Recreation Centre - Phase 2 Survey

139	Looks good	6/8/2025 1:32 PM
140	It has no indoor pool. We already have enough gymnasiums in the area.	6/8/2025 12:33 PM
141	Traffic. Traffic. Traffic. Roundabouts!	6/8/2025 12:20 PM
142	Want pickleball indoor and outdoor.	6/8/2025 11:14 AM
143	A cross walk along Warde is needed as the paths from south by frontier have high curbs. If the soccer field could be a bit more parallel to Warde or closer to have green space across from parc to picnic	6/8/2025 10:41 AM
144	How about a school	6/7/2025 11:17 PM
145	I don't see any play structures for younger children and don't see enough pickle ball courts as it's a very popular sport and the Sage Creek courts are always full.	6/7/2025 10:25 PM
146	Appears to be a good layout. I will go to the open house to get a loser look.	6/7/2025 10:05 PM
147	It would be great to have a recreational Center in Bonavista	6/7/2025 9:06 PM
148	This should not take away the green space of the community. There are not enough exits from Bona Vista to add this without making it closer to the perimeter and adding another exit from Bona Vista. This is reproducing what is already available in the community. Instead add a gym (weight lifting), a pool, and a skating rink.	6/7/2025 6:50 PM
149	No	6/7/2025 5:07 PM
150	Suggest a little smaller parking lot or more trees to block it from the green space.	6/7/2025 3:49 PM
151	Can more outdoor play structures be added? Can a mini greenhouse be added?	6/7/2025 3:35 PM
152	Is it possible to add outdoor playground structures? Or maybe like a mini greenhouse.	6/7/2025 3:29 PM
153	With the increase in traffic down Warde, it needs to be twinned.	6/7/2025 2:37 PM
154	please put in a skate park :(	6/7/2025 12:18 PM
155	Would love if it included a library	6/7/2025 11:35 AM
156	Good location, rec. center needed for area	6/7/2025 9:48 AM
157	What's the point of a rec centre without an indoor arena ????	6/7/2025 8:51 AM
158	Il me semble qu'il faudrait plus d'espace pour du stationnement . Et une piscine à l'intérieur, à l'extérieur où les deux seraient important	6/7/2025 8:38 AM
159	Where are the bus stops?	6/7/2025 8:06 AM
160	It would be nicer if Ward was more lanes and the entrance was on Ward	6/7/2025 7:53 AM
161	Sage Creek left out again from city infrastructure.	6/7/2025 7:52 AM
162	I would rather see a skating rink or area for skating in the winter than another paved basketball court/space.	6/7/2025 7:23 AM
163	Would be nice to have more than one entrance or exit and make sure parking matches the capacity of the building.	6/6/2025 11:10 PM
164	Why is this not going into sage creek. When it is 10x the size.	6/6/2025 11:09 PM
165	I like it	6/6/2025 11:02 PM
166	There's more homes in Sage Creek. Why not there? Where's the hockey rinks?	6/6/2025 10:21 PM
167	We need a hockey rink added instead of pickle ball. There are courts close by at island lakes school.	6/6/2025 10:04 PM
168	There are so many buildings everywhere, I would rather have a green space and bigger park for kids	6/6/2025 8:48 PM
169	I recommend the parking lot be on the corner and have 2 entrances and 2 exits	6/6/2025 8:21 PM
170	We prefer green space over a facility and parking lot.	6/6/2025 7:30 PM

Bonavista Recreation Centre - Phase 2 Survey

171	Don't agree with the parking lot facing the Evelyn Reese street. It's not comfortable and being able to access and park there from Warde street would be much better!	6/6/2025 6:19 PM
172	The parking lot feels too big to me	6/6/2025 5:42 PM
173	Important that the soccer field continues to be used as often and by as many players as it is today.	6/6/2025 5:29 PM
174	I think if you actually keep the proposed amount of green space, then I would be agreeable to the design. I worry that once the project starts, magically the green space is decreased and the community has no option to change the outcome. I also don't like the entrance to the facility on Evelyn Reese as it will increase the traffic on a street that many children use to cross into the park. I would rather see the entrance on Warde to keep the majority of traffic there. I would also like to see a lighted crosswalk on Evelyn Reese and Ward for people to cross street safely.	6/6/2025 4:59 PM
175	Nope	6/6/2025 4:58 PM
176	Why are inner city facilities closing down and while other areas are getting new facilities??	6/6/2025 4:55 PM
177	I would like to keep more green space	6/6/2025 4:52 PM
178	No but the parking is the biggest issue. We would need the 4 ways on Warde to be thought out as traffic may be an issue at different times. The 4 ways on Warde will have to be corrected.	6/6/2025 3:30 PM
179	Would prefer two tennis courts with pickleball lines instead of four pickleball courts. On windy days the pickleball courts would sit empty.	6/6/2025 1:43 PM
180	no	6/6/2025 12:51 PM
181	I think the entrance to the parking lot from Evelyn Reese would be a bit tricky since most people use the entrance from there to visit the park. It would have been better if the entrance was from Warde .	6/6/2025 11:40 AM
182	Can Evelyn Reese handle that amount of traffic?	6/6/2025 11:03 AM
183	I wish there was a swimming pool, especially given the nearest one (Bonivital) has been closed for over a year.	6/6/2025 10:56 AM
184	How about a pool??	6/6/2025 10:53 AM
185	The amount of traffic on Evelyn Reese. It would be better on Warde.	6/6/2025 10:01 AM
186	there is not enough parking spots, like many other community centers near by. the parking will effect all near by streets and make in difficult for everyone locally to get around.	6/6/2025 8:33 AM
187	Yes, please add a library	6/6/2025 7:58 AM
188	need more handicapped spaces	6/6/2025 7:50 AM
189	No	6/6/2025 7:48 AM
190	A little indoor dog run or park would be nice for the winter!	6/6/2025 7:16 AM
191	Please take notes from the Jonathan Toews complex and Niverville complex. The parking provided is not sufficient!! The entrance/exits also have to allow for easy ins and outs, not affecting the flow of traffic and residential streets.	6/6/2025 7:15 AM
192	There's enough greenspace, don't need trees in the parking lot. If rather have an extra row of parking.	6/6/2025 7:15 AM
193	As long as parking is easy to get in and out of after games, also more basketball courts the better. Lighting is essential	6/5/2025 10:51 PM
194	Highly recommended to have a swimming and fitness centre in recreational centre.	6/5/2025 10:43 PM
195	I understand the need for a parking lot, however everyone who lives on that portion of Evelyn Reese and used to face a beautiful green space will now face a concrete parking lot. That takes away a lot of the natural beauty of the area from the houses on the west side of the park.	6/5/2025 10:37 PM
196	The entrance being so close to a major intersection is going cause traffic issues.	6/5/2025 10:17 PM

Bonavista Recreation Centre - Phase 2 Survey

197	In the near future it would be nice to have Warde Ave completed to St.Annes rd so south St.Vital residents can easily& quickly access this new facility w/out having to deal with Abinojii Makinnah's constant traffic congestion.	6/5/2025 9:50 PM
198	we strongly need an indoor track that can meet the needs of people in the winter	6/5/2025 9:38 PM
199	No	6/5/2025 9:16 PM
200	It needs an outdoor hockey rink	6/5/2025 9:06 PM
201	I don't like the building occurs g in this park. The full field is used for sports. I do think a building in the area is good but would like to see land specifically put aside as the area is developed further south, and then it can be properly planned for	6/5/2025 8:32 PM
202	Ensure events like markets can book. Make it affordable.	6/5/2025 8:06 PM
203	This would be fantastic!!	6/5/2025 6:52 PM
204	Stop allocating time money and resources to new facilities if you won't bother to maintain the ones you have. Open Happyland pool. Replace the one at Norwood. Stop cannibalizing the community centre model.	6/5/2025 6:38 PM
205	I do not want a community centre in my green space. That will be an eye sore. I moved to my home specifically because how that space was currently being used. Warde is already overrun with traffic coming from Lagimodiere, and they bottleneck at the 4 way stop. There's no continuation of warde into Royal Wood, so our already busy Warde & Evelyne Reese streets will be overrun	6/5/2025 6:32 PM
206	No	6/5/2025 6:10 PM
207	Seems poorly laid out.	6/5/2025 6:05 PM
208	Would it be possible to add another entry/ exit point, even if on the same road but to alleviate a bottle neck at events	6/5/2025 5:33 PM
209	Safe creek and Bona Vista need ica skating rinks and a swimming pool. This community gym isn't what is needed. Southdale needs pressure taken off of their rinks. There is no point in spending millions not to include what is needed.	6/5/2025 5:20 PM
210	It would be great to have pool if not at that site, somewhere nearby	6/5/2025 5:10 PM
211	Lacking a fenced off leash dog park.	6/5/2025 4:47 PM
212	Please add roundabouts at the four-way Evelyne Reese and Warde 4Way Stop	6/5/2025 3:53 PM
213	No comment	6/5/2025 3:49 PM
214	Entry/exit should be off of warde not evelyne Reese. At least one outdoor rink should be a priority over tennis or basketball (already inside the gym)	6/5/2025 3:46 PM
215	wrong place	6/5/2025 3:44 PM
216	A pool is very much needed in the south end of the city to meet the growing community and the aging current pools that are at least 15 minutes from the south end. Swimming lessons save lives and there are not enough pools in the area to allow all children to take lessons	6/5/2025 3:38 PM
217	Warde bridge over seine river should he built at the same time as this rec centre. There's lots of traffic concerns that aren't being dealt with properly before the rec centre even goes up. Traffic gridlock on Warde between Lagimodiere and De La seigneurie backs up turning lanes into the community from lagimodiere. Many of these vehicle could take st Anne's to warde as they're coming from the west on the perimeter.	6/5/2025 3:12 PM
218	Public toilets? Water? Provided? Where?	6/5/2025 3:09 PM
219	n/a	6/5/2025 2:52 PM
220	We don't need this in our area! We can't even handle the amount of traffic already on Warde and de la Seigneurie. This is ridiculous! This area needs more hockey/ringette rinks.	6/5/2025 2:45 PM
221	We have a shortage of good hockey rinks and baseball diamonds in the city as a whole and especially the south end. For that not to be included is shortsighted.	6/5/2025 2:16 PM

Bonavista Recreation Centre - Phase 2 Survey

222	I like the location and site features. Consider traffic in the area off of Warde.	6/5/2025 2:07 PM
223	100 parking stalls seems excessive for the amount of on-street parking nearby. I think the space could be better used for covered secure bike parking (individual lockers) and covered secure stands.	6/5/2025 2:06 PM
224	Not enough parking stalls as there will be residents from Island Lakes and Sage Creek communities attending. Also will there be bike stands?	6/5/2025 2:06 PM
225	No matter what, people will park on warde ave and evlyne reese. Warde ave should be broaden and atleast be double lane for driving. As per the site survey you guys said you saw what amenities were not available in the near neighborhood and decided to provide accordingly. There is no pool, in the near neighborhood, may be a small one or just for leisure (like seven oaks slide and pool) would have been an awesome addition to the neighborhood.	6/5/2025 1:57 PM
226	Less parking would be nice. More space for other amenities.	6/5/2025 1:40 PM
227	I think adding a rec centre is a good idea but with minimal resources being allocated and missing some key opportunities for relief of big issues that families are struggling with (no plans for a daycare even though the only before and after school care for Ecole Sage Creek has had the waitlist shut for 1+ year)	6/5/2025 1:38 PM
228	I would like to suggest including a swimming pool with a sauna and a gymnasium in the Buena Vista project. These facilities would provide important year-round recreational and health benefits for residents of all ages. In addition, I recommend adding a splash pad with warm water to the children's play area to ensure comfort and accessibility for younger children during the summer months.	6/5/2025 1:24 PM
229	I hope pickleball courts are inside as you cannot play outside if there is any kind of wind	6/5/2025 1:24 PM
230	I feel strongly that you should place the rec centre and the parking lot kitty corner to where you're purposing (the SW empty lot at the corner of Warde and Eveyln Reese).	6/5/2025 1:23 PM
231	The proposed site location will significantly reduce the existing green space in the area. A more suitable alternative for development would be across the lane, near Warde, westbound along Evelyn Reese Boulevard. This location would preserve the current green space in the field and make more effective use of the underutilized area.	6/5/2025 1:18 PM
232	I think it's better to put soccer field as it is.	6/5/2025 1:02 PM
233	Make sure it will create less traffic in the area	6/5/2025 12:45 PM
234	It's missing baseball diamonds, a hockey rink, the parking lot is not close to the soccer field. This centre looks half baked and not reflective of community needs.	6/5/2025 12:43 PM
235	This is a horrible idea and a disgrace to the greenspace. It will be a disruption to the quiet area when the space is used for socials and it will be dangerous for kids riding bikes and walking to the park and to and from their school busses. It will be horrible for parking and will take up even more of the street parking that is already lacking. The area has no sidewalks on residential streets and this park was perfect for kids to play in. Unfortunately that is no longer the case.	6/5/2025 12:34 PM
236	Needs an indoor pool.	6/5/2025 12:32 PM
237	Is there room for an ODR?	6/5/2025 12:25 PM
238	No	6/5/2025 12:21 PM
239	Indoor track and swimming pool needed in this area	6/5/2025 12:10 PM
240	Could we please include a field hockey turf?	6/5/2025 11:48 AM
241	Wish had a swimming pool	6/5/2025 11:42 AM
242	Sounds very extravagant and Phase I responses sound like it's more for adults (pickleball, indoor gym, walking track, etc.)	6/5/2025 11:34 AM
243	Short sighted planning. The area needs indoor skating and indoor pickleball and outdoor spray pads.	6/5/2025 11:24 AM
244	During rush hour there is already a line up of cars trying to enter Bonavista from warde. This is	6/5/2025 11:23 AM

Bonavista Recreation Centre - Phase 2 Survey

	caused due to the stop signs versus having a roundabout.	
245	No	6/5/2025 11:20 AM
246	How about a hockey rink? Lots of active hockey players in the community.	6/5/2025 11:11 AM
247	There should be more than one entry/exit to the facility parking lot	6/5/2025 10:59 AM
248	It should have a pool	6/5/2025 10:48 AM
249	The Parking lot location may not be ideal, and cause lots of traffic, but many people may walk since it's very close to the community. I recommend lots of bike racks as well.	6/5/2025 10:46 AM
250	They're all very pretty and modern. What a shame that such attention and funding has not been extended to existing neighbourhoods that have had their facilities closed and allowed to degrade.	6/5/2025 10:36 AM
251	There should be at least two exists at either way to ease traffic	6/5/2025 10:30 AM
252	Adding in a spot for an outdoor hockey rink	6/5/2025 10:25 AM
253	I never go to this area	6/5/2025 10:10 AM
254	I do not believe proposals such as this should be allowed to move forward without concerns about traffic being addressed. I have not seen any details about a reduced speed limit, speed bumps or crosswalk along Evelyne Reese or Warde being added. The intersection at Warde and De La Seigniere is already a trouble spot for the neighbourhood with traffic being backed up to Lagimodiere without this attraction added.	6/5/2025 10:02 AM
255	Can we look at a different area of Bonavista for this space? Moreso on the outskirts of the area versus right in the middle of Bonavista which takes away from the green space we finally have. The two way road on Warde Ave to get to Lagimodeire already has high traffic during peak times. This is going to make it a lot worse. I live in Bonavista and would hope the city looks at a different space than Warde and Evelyne.	6/5/2025 10:02 AM
256	Would like to see a baseball field included as well since there is only 1 Diamond in the Sage Creek/Bonavista area	6/5/2025 10:00 AM
257	There is a big need for a rink	6/5/2025 9:38 AM
258	Too many parking spots. Chill out.	6/5/2025 9:34 AM
259	Ikea has parking stalls that are a bit wider for family parking to get kids in car seats out. I'd love to see that.	6/5/2025 9:30 AM
260	To get to this from sage creek you have to drive, there is no way enough parking. If also for sage should be renamed Bonavista Sage Creek rec centre. Speed on 59 needs to be slowed down , 80 is way too fast with the amount of potential traffic and people children crossing. Need sidewalk/ bike path to this area both sides from ward to bishop grandson with access points at all three intersections. In the perfect world there would be an overhead walkway, at the very least ward, especially with new French immersion school in sage	6/5/2025 9:28 AM
261	would like a pool added	6/5/2025 9:27 AM
262	This is not a good location at all. This recreation centre needs to be built in Sage Creek, there are 3 schools there now. The area is full of young children of all ages. Please move this build into Sage Creek.	6/5/2025 9:26 AM
263	An added water pad would be great	6/5/2025 9:24 AM
264	Not okay that Sage Creek gets 3 schools and Bonavista gets the recreation center. We need a recreation centre in Sage creek for our growing community.	6/5/2025 9:22 AM
265	Would be nice to have a gym. Or two entrances to the parking lot.	6/5/2025 9:21 AM
266	I know it is a mock up, but it would be nice to know if there will be shaded areas around the soccer field!	6/5/2025 9:20 AM
267	The city is running a large deficit. This project should be shelved for the immediate future.	6/5/2025 9:18 AM
268	roundabout should be added to the area along with crosswalks to go to and from the park and centre	6/5/2025 9:16 AM

Bonavista Recreation Centre - Phase 2 Survey

269	I'm concerned about the increase in traffic along this route and lack of speed slowing down measures like traffic humps on the roads towards this area. There is already concerns about speeding that no one has addressed.	6/5/2025 9:16 AM
270	None	6/5/2025 9:11 AM
271	A swimming pool would be nice!	6/5/2025 9:10 AM
272	Needs an indoor pool	6/5/2025 9:09 AM
273	Transit access should be a priority - children who are too young to drive should be able to access it without relying on their parents to drive.	6/5/2025 9:08 AM
274	No	6/5/2025 9:06 AM
275	Schools are renting space less and less. Our club volleyball team would love to rent out any gym space - so plenty of gyms would be appreciated.	6/5/2025 9:04 AM
276	No	6/5/2025 9:03 AM
277	n/a	6/5/2025 9:01 AM
278	Hockey rink?	6/5/2025 8:58 AM
279	all fine	6/5/2025 8:56 AM
280	where are the bus stops located	6/5/2025 8:41 AM
281	Rotate the soccer field 90 degrees, add berms & trees to ends for viewing and shade to help prevent balls from rolling into street or path.	6/5/2025 8:38 AM
282	No	6/5/2025 8:36 AM
283	Too much parking space for cars. Too little parking for bikes. Will contribute to the mentality of needing cars to get here instead of using alternatives.	6/5/2025 8:29 AM
284	Looks like we are taking useable green space away	6/5/2025 8:24 AM
285	Would really like to have a gym area inside with weights	6/5/2025 8:23 AM
286	Lack of hockey rink, even an outdoor rink would be good.	6/5/2025 8:22 AM
287	It is not in my area and is far enough away for regular commutes It doesn't address activities for active seniors, aimed only at families and young people This doesn't emphasize cycling to this location - cycle paths, bike parking and lockup?	6/5/2025 8:12 AM
288	The city of Winnipeg cannot afford to build recreation centres at the same time that it is closing or reducing hours at inner city rec centres. I should not have to drive across the city to take my kids to the pool, and my tax dollars should not be used to pay for infrastructure my family cannot access.	6/5/2025 8:03 AM
289	where's the baseball diamond?	6/5/2025 7:49 AM
290	Add splash pad and track and field space	6/5/2025 7:49 AM
291	There should at minimum be outdoor rinks. Even if the basketball and pickleball courts were designed to be able to convert to rinks in the winter. It would make the space usable all year.	6/5/2025 7:45 AM
292	It would be nice to have an outdoor hockey rink, a workout gym and daycare space	6/5/2025 7:45 AM
293	I don't like the small indoor building, given Winnipeg winters. We would be better off reducing the outdoor parking, as I doubt 114 spaces will be needed for such a small building anyways, and have a larger indoor space for gym requirement.	6/5/2025 7:41 AM
294	Would like to see a round about and not another 4 way stop to ensure traffic flow	6/5/2025 7:37 AM
295	The south east of Winnipeg NEEDS more public pools	6/5/2025 7:24 AM
296	Would like to see a hockey rink	6/5/2025 7:18 AM
297	The 2 main roads to access the facility need to be looked at. There is already major traffic back up from Lagimodiere and Warde, this facility will only increase that traffic and delays for residents. The 4 ways stop at Warde and De la Segnuerie should be reviewed. Also as a	6/5/2025 6:49 AM

Bonavista Recreation Centre - Phase 2 Survey

resident living on Evelynne Reese people speed on that road that is a straight way and it has no stop signs, speed bumps or traffic calming measure should be in place before adding a family/community facility.

298	It would be great, if possible, to include an outdoor nature playground for toddlers and children, especially for families who come for soccer games, etc.	6/5/2025 6:35 AM
299	Pickleball is a loud sport. Is there a surround that can be placed around the courts to dampen sound? And protect courts from wind.	6/5/2025 6:13 AM
300	N/A	6/5/2025 12:29 AM
301	It appears to be a good compact layout with many options. The additional paths and trees are nice. Not sure if the parking lot will be too big.	6/4/2025 11:27 PM
302	Make sure to have a wind shelter around the pickleball courts.	6/4/2025 11:12 PM
303	Evelynne Reese is very narrow, traffic might be bad	6/4/2025 11:04 PM
304	I'd love to see a track, something like what Dakota Community Club has.	6/4/2025 10:52 PM
305	No	6/4/2025 10:41 PM
306	I am surprised to see there are no outdoor skating rinks. That would be important to me and I think very popular.	6/4/2025 10:38 PM
307	We need another full sized pool for city swim lessons. Focus should be on indoor space considering it's winter 6 months of the year. A hockey rink is another needed item in this area of winnipeg	6/4/2025 10:36 PM
308	There needs to be a crosswalk on Evelyn reese	6/4/2025 10:30 PM
309	The parking lot exit on warde Ave should be better, also the road size of warde and evelynne Reese blvd need to be extend	6/4/2025 10:29 PM
310	Parking lot is to big. To many tennis / pickle ball courts.	6/4/2025 10:11 PM
311	I do not want this in my area - there is already too much traffic congestion and dangerous driving. This will only increase that.	6/4/2025 10:09 PM
312	This site is too small. Takes away the green space we live beside. Too much traffic in a small area. Too many kids around with too much traffic is not good.a parking lot in a small park is ridiculous	6/4/2025 10:00 PM
313	None	6/4/2025 9:54 PM
314	I would have loved a pool since we are limited in this area. We also need a set of lights or a roundabout at warde and De la Seigneurie as this new complex will bring more traffic and that intersection is already backed up	6/4/2025 9:53 PM
315	It is [REDACTED] to me that there will not be outdoor rinks included at the recreation center! There are NO nearby outdoor rinks for our children in Sage Creek, Bona Vista, Island Lakes, Royalwood or Southdale. Soccer fields and basketball courts are found at every schools or park, but rinks are not something easy to come by. SUCH A MISS!!	6/4/2025 9:47 PM
316	This area has enough soccer fields but lack of skating rinks. A pleasure rink and a hockey rink will be far more useful	6/4/2025 9:45 PM
317	For 100 cars, suggestion would be to have two means of ingress/egress. Upon entering site, cars will be seeing gated garbage area. It might be better to have entrance closer to drop off area.	6/4/2025 9:38 PM
318	Will need more parking	6/4/2025 9:36 PM
319	Add an outdoor hockey rink	6/4/2025 9:28 PM
320	I think the parking lot should be moved and accessed from warde as that is more of a Main Street to avoid the congestion in that corner, also there are few baseball fields that should should have been put into consideration or an outdoor hockey rink for winter those are all summer sports and no where in the area for out door winter sports	6/4/2025 8:47 PM
321	Indoor play structure for children and families in the winter?	6/4/2025 8:38 PM

Bonavista Recreation Centre - Phase 2 Survey

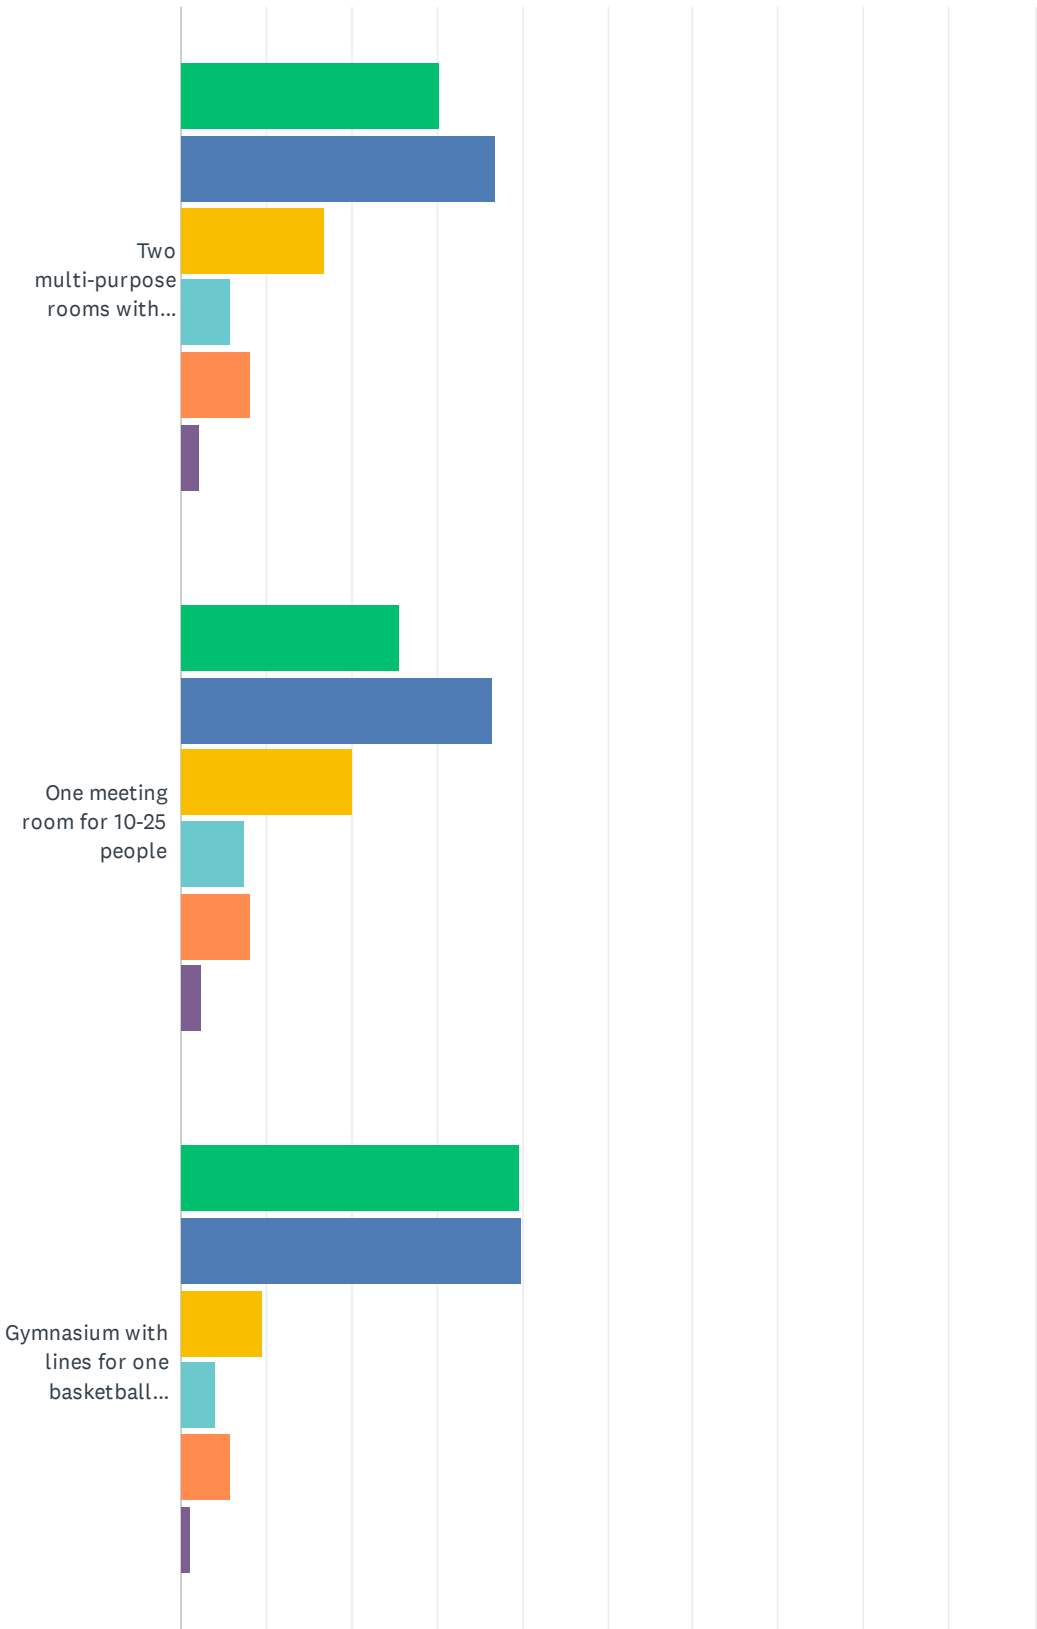

322	Feels like it'll be very underused in the winter because there is no arena indoor or out. We NEED more arenas in the city in addition to what has been proposed.	6/4/2025 8:26 PM
323	Can the site be swapped with the land diagonal from the proposed site? (Evelyne Reese southeast)	6/4/2025 8:22 PM
324	Add a softball or baseball diamond	6/4/2025 7:46 PM
325	The area is used by family families during the weekend and adding more traffic, as well as getting rid of all the green space to build a rec centre that most cannot use (time/activities) is not a good idea. This will also not be enough spots, so people will end up blocking Evelyn Reese/Warde	6/4/2025 7:41 PM
326	This will cause an overwhelming amount of additional traffic	6/4/2025 7:35 PM
327	Keeping the children's play area is important. Making it more accessible (disability friendly) would be good. Entry/exit cannot be on Warde... it's backed up enough during peak traffic	6/4/2025 7:33 PM
328	Wind breakers are needed for pickleball courts	6/4/2025 7:07 PM
329	Yes instead of one basketball court put an outdoor hockey rink and then maybe share the basketball and tennis courts half and half this area really needs an outdoor rink there's no outdoor hockdy rinks close by	6/4/2025 6:51 PM
330	This is coming from a 14 year old who is taking this survey and would absolutely love if there would be some sort of rink or outdoor rink during wintertime for kids to go to. The community would grow if you were to add that. The outdoor rink would have me going there everyday. You should definitely add it !!	6/4/2025 6:45 PM
331	No consuderstion of a swimming pool... perhaps with a wave generator to serve as an attraction.	6/4/2025 6:45 PM
332	More green space and slightly less parking.	6/4/2025 6:43 PM
333	No	6/4/2025 6:38 PM
334	Can the playground be upgraded to be more inclusive? Our area is lacking in play spaces for children and teens. We have plenty of houses but lack green spaces.	6/4/2025 6:24 PM
335	No	6/4/2025 6:21 PM
336	There needs to be a food or refreshment café or restaurant available inside the rec centre for a small local business to thrive in otherwise all of the seating and chairs makes no sense if there is no where to purchase coffee or lunch or refreshments after a class or activity.	6/4/2025 5:53 PM
337	A combo court of pickleball and tennis would be great instead of only pickle ball.	6/4/2025 5:48 PM
338	Ice rink?	6/4/2025 5:44 PM
339	Should consider an outdoor hockey rink	6/4/2025 4:14 PM
340	Very poorly thought out. No daycare No athletic equipment other than a gymnasium. Taking away current green space to put up a building that doesn't meet very many needs for people of the neighborhood. Adding more traffic to an area we're children play means there will need to be traffic lights added.	6/4/2025 3:59 PM
341	We don't want a rec Center in our area. The traffic flow into Bonavista is horrible already and this will increase traffic. Horrible location	6/4/2025 3:52 PM
342	I'd like to know what will be inside	6/4/2025 3:09 PM
343		6/4/2025 2:55 PM
344	Good job.	6/4/2025 2:08 PM
345	A swimming pool and indoor track please.	6/4/2025 1:53 PM
346	Wish there would be a foot path created so that Royalwood families could walk to the centre and enjoy.	6/4/2025 1:41 PM
347	Just curious about the parking lot entrance being directly across from Bonaventure drive west and how that would impact homeowners on that street	6/4/2025 1:35 PM

Bonavista Recreation Centre - Phase 2 Survey

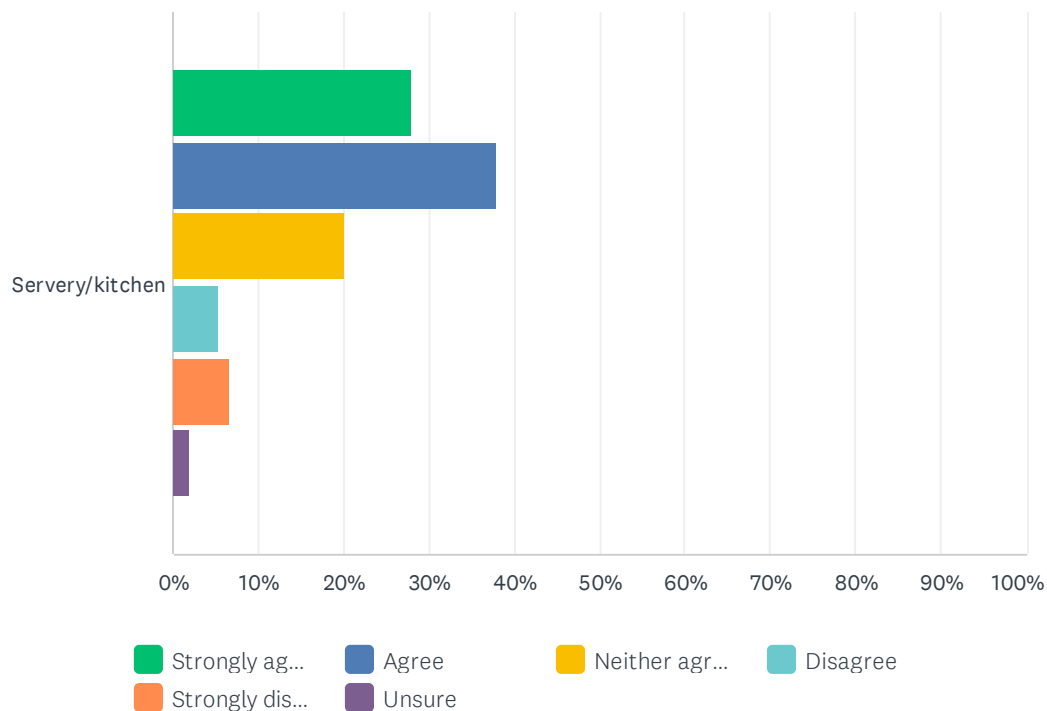

348	I simply want to ensure there is green space and still lots of it. That's why we like this area, for the green space and areas for families to walk around and enjoy the park space.	6/4/2025 1:32 PM
349	why more soccer? or football? wheres your baseball field?	6/4/2025 1:31 PM
350	With Warde Ave eventually extending between Lagimodiere Blvd & St Annes Rd., consideration should be given to how that increased traffic will impact both vehicles & people entering and exiting the site. The introductions of traffic lights and/or round-a-bouts are likely already needed and with this project looming traffic will only get heavier.	6/4/2025 1:29 PM
351	there is not much green space in the area within walking distance, this really takes away even more...	6/4/2025 1:10 PM
352	Nope. It's great actually.	6/4/2025 1:06 PM
353	Would love to have a splash pad feature added to outdoor plan	6/4/2025 12:59 PM
354	No	6/4/2025 12:51 PM
355	No	6/4/2025 12:35 PM
356	No	6/4/2025 12:29 PM
357	Have an outdoor rink or two.	6/4/2025 12:27 PM
358	I don't see the existing play structure areas. This park is always full of kids playing	6/4/2025 12:24 PM
359	We have hardly any useable green space in this community as is. Seeing all of this green space turn into a large concrete building and parking lot is heartbreaking	6/4/2025 12:23 PM
360	If this is going to move forward, a crosswalk across Evelyn Reese is desperately needed due the to amount of traffic this will attract. We already have may many families going to the park crossing Evelyn Reese unsafely, please consider.	6/4/2025 12:20 PM
361	Reviewing the plans, I believe we are loosing most of the green space that exits, the area is already busy without adding that volume of traffic, I find it's way too much for a residential area. The centre doesn't offer anything that can't be found nearby. I think such a big building and parking lot ruins the quiet charm of this area.	6/4/2025 12:19 PM
362	The parking lot may benefit from 2 entrances/exits.	6/4/2025 12:17 PM
363	Love the design!	6/4/2025 12:16 PM
364	Really enjoy the look of the building and inside seems good.	6/4/2025 12:08 PM
365	Traffic at 2ard and EveyIn Reece already gets congested and we have had multiple accidents. This will only get worse with the parking there. Why is the building on this corner and not backing onto the fenced houses? The area will feel closed off or closed in with the location of the building. How will traffic be addressed? The area is already congested with tagging due to the lack of roads in and out of the area, and no way over the train tracks except the perimeter and Abinojie.	6/4/2025 12:04 PM
366	Will active transportation be completed along Warde into River Park South?	6/4/2025 12:02 PM
367	Can this facility include a multi-purpose hall of about 300-500 guests?	6/4/2025 12:00 PM
368	Would be nice to have one less basketball court and to put a hockey rink in	6/4/2025 12:00 PM
369	Build an indoor hockey rink!	6/4/2025 11:42 AM
370	Needs more parking,	6/4/2025 11:36 AM

#	RESPONSES	DATE
1	Love that there's pickle ball	6/30/2025 10:15 AM
2	There should be a daycare. There is not nearly enough childcare for dual income families and building new community centers should proactively meet that need.	6/27/2025 9:15 PM
3	I think it is an ideal location	6/27/2025 11:23 AM
4	Where's the squash court. There isn't any in close proximity.	6/25/2025 8:30 PM
5	Please do not add an indoor hockey rink	6/25/2025 2:48 PM
6	No neutral gender washroom?	6/25/2025 2:04 PM
7	should have family change rooms	6/25/2025 2:02 PM
8	None.	6/25/2025 11:26 AM
9	Don't understand the need for kitchenettes in the multipurpose rooms. Facility needs change room, especially for winter	6/25/2025 10:32 AM
10	will there be changing rooms?	6/25/2025 10:29 AM
11	Would've enjoyed a pool- only indoor pool are the YMCA and Bonvital - both are north of hwy and built in the 1970	6/25/2025 8:56 AM
12	Probably need more multi purpose rooms	6/23/2025 9:42 PM
13	I don't think the separation for basketball and volleyball and badminton specifically, makes any sense. If you've seen a high school gym, then you know a basketball courts can also turn into a volleyball and badminton and whatever else. Now if you were to have a specific room/ space for badminton and pickle ball that would make sense but I don't really think '1 bb court and 2 vb court' makes sense since also some of people don't actually like playing with randoms in any sport and usually come with friends if they plan on using a space for a game otherwise the come alone and if there's only one court and a games going on, what to do now?	6/23/2025 6:01 PM
14	Increase the space for meeting room to accommodate more people (50-100)	6/23/2025 1:41 PM
15	I hope a gym with threadmill etc and weights aside from yoga room will be included in the indoor amenities.	6/20/2025 6:52 PM
16	Small room (10-25) at least two of them.	6/20/2025 1:19 PM
17	How will you block out activity noises for yoga classes?	6/20/2025 12:33 PM
18	No	6/20/2025 10:55 AM
19	I'm glad there are pickleball and volleyball courts/lines. I hope the volleyball courts have enough room behind for serving (not right against the wall)	6/20/2025 8:17 AM
20	It's not large enough. Need a hockey rink and pool.	6/19/2025 10:18 PM
21	Need a gym for 2 basketball courts	6/19/2025 10:15 PM
22	Strongly request to have an indoor pool.	6/19/2025 4:33 PM
23	will there be a canteen	6/19/2025 2:01 PM
24	Will be a great addition to the neighborhood	6/19/2025 1:52 PM
25	Would've enjoyed a pool - only indoor pools are the YMCAs Bonivital -both are north of Hwy and built in the 1970's! come on!	6/19/2025 1:32 PM

Bonavista Recreation Centre - Phase 2 Survey

26	Another meeting room	6/19/2025 11:12 AM
27	A weights / cardio machine area would be nice. I realize there is a 65+ center right beside the center but there is a lot about pickle ball. Is there data to support the amount of the center going towards it? If it is going to be used great, I just wonder if the space isn't better used by sports that have stood the test of time.	6/19/2025 10:46 AM
28	It is nice	6/18/2025 10:26 PM
29	Need more accessories wheelchair activities	6/18/2025 8:05 PM
30	We need a pool and hockey arena either in Sage Creek or Bonivista	6/18/2025 7:46 PM
31	Maybe a separate room for pickleball?	6/18/2025 6:50 PM
32	No	6/18/2025 6:30 PM
33	Good mix of options	6/18/2025 6:17 PM
34	Maybe 2 meeting rooms	6/18/2025 5:59 PM
35	A swimming pool would be beneficial	6/18/2025 1:49 PM
36	Consider putting in a gym and pool	6/18/2025 10:30 AM
37	Sounds good	6/17/2025 8:23 PM
38	A large, indoor walking track that is free for public use (similar to seven oaks arena) would make a lot of sense around the gym.	6/17/2025 12:56 PM
39	Don't build it.	6/16/2025 11:19 PM
40	I would like to see at least 3 volleyball courts	6/16/2025 9:39 PM
41	An indoor pool would be great for the community	6/16/2025 5:40 PM
42	Should be done by Proper professional builders	6/16/2025 5:20 PM
43	N/A	6/16/2025 12:39 PM
44	Workout facility needed	6/16/2025 9:45 AM
45	Swimming pool.	6/16/2025 9:18 AM
46	It is better to build a new swimming pool.	6/16/2025 12:24 AM
47	Would strongly encourage workout equipment. Strength training is important for all age groups.	6/15/2025 9:07 AM
48	Indoor track for walking/running. Workout equipment?	6/14/2025 10:13 PM
49	Too much is planned, creating too large a footprint in one of the few green spaces in the neighborhood.	6/14/2025 7:11 PM
50	An indoor lap pool would be a huge asset and one that going forward as the neighbourhood ages will not be regretted.	6/14/2025 1:31 PM
51	Swimming pool should be indoor	6/14/2025 8:35 AM
52	No	6/14/2025 6:47 AM
53	No	6/14/2025 4:10 AM
54	I'm not sure we need a kitchen there.	6/12/2025 9:21 PM
55	I would propose the inclusion of gym equipment for working out to be included in the indoor amenities.	6/12/2025 9:03 PM
56	Gym area and a pool with rec area and steam sauna would require.	6/12/2025 9:01 PM
57	Add a pool please	6/12/2025 8:21 PM
58	The inclusion of an indoor walking/running track would be nice	6/12/2025 8:00 PM
59	More meeting rooms perhaps one for 50 people. This would help with multiple programming occurring. The centre is not just for kids and sports but the whole community aka seniors	6/12/2025 4:55 PM

Bonavista Recreation Centre - Phase 2 Survey

60	The space is designed very well. Two meeting rooms would have been much better.	6/12/2025 9:00 AM
61	There is a GIANT community of volleyball players in the south of Winnipeg. Please consider including a curtain that can be pulled between the two volleyball courts so that multiple courts can be going at once. Also seating for spectators.	6/11/2025 6:15 PM
62	Ensure there is ample room for spectators! nothing worse than going to watch games and you're in a budget stackable chair with your feet on the court...	6/11/2025 2:38 PM
63	No	6/11/2025 9:18 AM
64	Will there be a place for kids under the ages of 5 to play?	6/11/2025 6:18 AM
65	It's great to have an indoor community centre. But having one gym is not enough. What about a weight room ? Outdoor Ice rinks ?	6/10/2025 11:47 PM
66	Waterpark needed	6/10/2025 11:17 PM
67	Meeting room for event for 50 or 100	6/10/2025 10:13 PM
68	Can a swimming pool be included?	6/10/2025 9:59 PM
69	Do we have a swimming pool?	6/10/2025 9:25 PM
70	This seems like a social hall instead of a community club. The area needs multiple soccer and baseball fields and hockey rinks, this is a lot of money for a facility that doesn't meet these needs and will be under utilized. This green space is in constant use and this takes that away	6/10/2025 9:15 PM
71	It's unfortunate a library was not part of this plan.	6/10/2025 8:34 PM
72	An indoor olympic size pool will be appropriate to accommodate bonnavista and sage creek residents.	6/10/2025 8:05 PM
73	Indoor pool will be great too	6/10/2025 7:38 PM
74	Love it	6/10/2025 7:36 PM
75		6/10/2025 7:35 PM
76	This community needs an indoor pool.	6/10/2025 7:29 PM
77	Great!	6/10/2025 7:23 PM
78	Tennis courts needed atleast 2	6/10/2025 7:14 PM
79	Prefer swimming pool and indoor play area for kids	6/10/2025 7:12 PM
80	Great	6/10/2025 7:05 PM
81	I have no need for multi purpose rooms	6/10/2025 7:02 PM
82	None	6/10/2025 4:40 PM
83	Indoor running track above and around the court with some gym options, such as free weights ellipticals water rowers	6/10/2025 4:38 PM
84	Would be nice to have a daycare and/or stay and play activities for young children	6/10/2025 4:34 PM
85	We need a pool facility	6/10/2025 4:08 PM
86	add a pool	6/10/2025 4:07 PM
87	Will there be a gym with exercise equipment?	6/10/2025 3:28 PM
88	An indoor turf field would be much more desirable.	6/10/2025 12:45 PM
89	Should have a bigger meeting room	6/10/2025 11:20 AM
90	indoor soft play centre would be great, like at the YMCA or Niverville Rec Centre	6/10/2025 9:41 AM
91	I think having outdoor tennis courts rather than general green space would be very great. The city already lacks enough courts. I also find it interesting there's not hockey rink? Or baseball diamond. I don't know if there is a need but it could be worth considering for future growth	6/10/2025 1:11 AM

Bonavista Recreation Centre - Phase 2 Survey

92	Would like to see a full gym with weights and cardio machines.	6/9/2025 10:40 PM
93	More pickleball	6/9/2025 10:38 PM
94	Great design.	6/9/2025 10:12 PM
95	One kitchen/community space	6/9/2025 9:26 PM
96	Would like one of the multi purpose rooms to be a permanent gym / weight room facility	6/9/2025 8:24 PM
97	There are several tennis players within the community that have to travel long distance to play. The proposed facility does not make provision for a court.	6/9/2025 8:13 PM
98	Needs a pool	6/9/2025 8:05 PM
99	Kids features ???	6/9/2025 7:27 PM
100	Are you sure if my kids or family or my bonvista neighbiur play. The other people leave because this is bonvista property?	6/9/2025 6:14 PM
101	There should be an indoor hockey rink, there are so many youth hockey teams in the area and the current facilities are bursting and insufficient	6/9/2025 5:57 PM
102	We don't need	6/9/2025 5:11 PM
103	No	6/9/2025 5:06 PM
104	Would like to see more pickleball courts	6/9/2025 5:05 PM
105	Indoor hockey rink would be nice	6/9/2025 2:41 PM
106	No	6/9/2025 2:22 PM
107	This building is a waste of space as it's taking away from the park!	6/9/2025 1:18 PM
108	3 badminton courts should work well for some type of community programming. The Manitoba Badminton Association would be creating annual programs that could run at the facility and we may also find a group that want to start a formal badminton club at the venue. A larger space with more courts (5 to 6) would have been even better and could have been used as a venue to host tournaments and events. We'd be interested in getting the info about the spacing between courts and measurements as our official could advise if they meet standard setups (which they likely will). thanks	6/9/2025 12:01 PM
109	Why no gym w weights / cardio equipment etc? There's nothing else in the area	6/9/2025 11:52 AM
110	I think an indoor track would be great for seniors to walk in winter.	6/9/2025 10:07 AM
111	I would really, really like this facility to contain a traditional gym with weightlifting equipment, treadmills, etc. This would be the primary thing feature our family would use, as the area is fairly underserved for gyms. We would gladly pay a reasonable fee to access a traditional gym facility with equipment, maintained by the city. I love the idea of indoor pickleball courts! Indoor pickleball play is a great way to stay active during the winter.	6/8/2025 4:07 PM
112	Pickleball is great. The kids could also be able to play there if there are drop ins happening.	6/8/2025 3:09 PM
113	A lobby/waiting/relaxation area will be great, Also if possible a gym	6/8/2025 1:32 PM
114	The area could really use an indoor pool as well as a fitness facility.	6/8/2025 12:33 PM
115	A pool would be nice	6/8/2025 12:20 PM
116	Primary interest is pickleball.	6/8/2025 11:14 AM
117	Hoping the meeting room can be multipurpose for indoor sports as well.	6/8/2025 10:41 AM
118	A track and weight equipment are my top priorities for indoor facilities	6/8/2025 9:06 AM
119	Will there be a weight room?	6/8/2025 7:43 AM
120	I'd prefer more pickle ball courts	6/7/2025 11:33 PM
121	I think that rather than a survery kitchen and two multi purpose room with kitchenettes you should consider putting an indoor swimming pool to meet the needs of the residents. The only	6/7/2025 10:25 PM

two places the children in this area can take swimming lessons are at the Bonivital pool and ymca and if you don't call on the first day of inscriptions you are out of luck.

122	How big will be the multipurpose rooms ? Are we able to adjust 300 + people ?	6/7/2025 10:19 PM
123	Can a fourth pickleball court be fit in? Popular sport	6/7/2025 10:05 PM
124	Nice idea	6/7/2025 9:06 PM
125	To ensure safety for all genders and ages using the bathroom, I suggest installing security cameras in the hallways and at the sink areas to prevent sexual assault and violence.	6/7/2025 7:13 PM
126	These amenities are already available nearby. Please change this to include a gym (weight lifting), a pool, and a hockey rink. Please move the location closer to the perimeter and add an additional exit towards the perimeter or Lagimodiere. There are not enough exits for this addition.	6/7/2025 6:50 PM
127	Swimming pool option needed	6/7/2025 5:07 PM
128	Is it possible to have some sort of computer area for kids to play Minecraft together? Is it possible to add a climbing wall inside? A saltwater aquarium?	6/7/2025 3:35 PM
129	Yes, it would have been nice to include a walking track to be able to walk in the winter time	6/7/2025 3:15 PM
130	No.	6/7/2025 2:37 PM
131	Library is needed	6/7/2025 11:35 AM
132	Schedule time for senior activities	6/7/2025 9:48 AM
133	An indoor skating rink would be a good addition	6/7/2025 9:02 AM
134	Need an arena !!!!!!!	6/7/2025 8:51 AM
135	Si on est pour construire un nouveau centre, il faudrait s'assurer de construire un centre assez grand pour rencontrer la demande de la région. Il faudrait beaucoup plus d'espace de gymnase pour servir la population croissante des alentours et une piscine serait nécessaire	6/7/2025 8:38 AM
136	What about the indoor soccer?	6/7/2025 8:06 AM
137	No library or library infrastructure to allow pickup/return of books etc.	6/7/2025 7:52 AM
138	What about a gym for proper cardio and weight lifting I saw in the designs? This is needed!	6/7/2025 7:23 AM
139	Please make indoor tennis courts (works for pickleball and badminton) all racquets sports in one place. A lot of lack of indoor tennis courts in the city.	6/7/2025 12:05 AM
140	I want an indoor walking track	6/6/2025 11:09 PM
141	very nice	6/6/2025 11:02 PM
142	More gym space, and less of the other stuff. I bet the gym is booked always, and the other stuff rarely used.	6/6/2025 10:21 PM
143	I would rather see an indoor hockey rink added instead	6/6/2025 10:04 PM
144	I don't understand why we need this here. Please keep the green space and build a bigger park	6/6/2025 8:48 PM
145	Have the designers considered an indoor running track.	6/6/2025 5:29 PM
146	Nope	6/6/2025 4:58 PM
147	I think that the outdoor courts (badminton and pickleball) should be included in phase one of the project	6/6/2025 4:52 PM
148	Indoor track and weight machines needed. Attention to recreation facility requirements for seniors needs to be considered.	6/6/2025 4:34 PM
149	Good for wedding socials	6/6/2025 4:27 PM
150	No excited can't wait for this rev to be built.	6/6/2025 3:30 PM

152	no	6/6/2025 12:51 PM
153	Would love an indoor swimming pool or skating rink	6/6/2025 12:46 PM
154	If possible more pickleball courts. Demand is huge in the area and Dakota is the only option near by	6/6/2025 11:43 AM
155	I would like to the space to have a swimming pool as well as there are no pools nearby.	6/6/2025 11:40 AM
156	Locker/change rooms might be more important depending on g on events/activities	6/6/2025 11:03 AM
157	I would love for it to have an indoor pool. The closest pool is Margaret Grant and the other pool on Archibald has been under construction for so long.	6/6/2025 10:14 AM
158	There should be a rink for ice skating and hockey	6/6/2025 9:20 AM
159	Add at least one more meeting room.	6/6/2025 9:16 AM
160	Why can't there be an indoor hockey rink? There is a lack of indoor arenas in the south end of the city.	6/6/2025 8:46 AM
161	Why is there not a pool in this site, we have no swimming pools near by, closest being bonivital and it's so busy for swimming lessons and always packed	6/6/2025 8:05 AM
162	Can we get 2 basketball courts since southdale does not have one. Being the convenor for southdale, permits are very hard to come by and our community is increasing with interest in the sport. Less multi purpose and more basketball courts	6/5/2025 10:51 PM
163	Swimming and kids play area	6/5/2025 10:43 PM
164	I would rather there be less indoor space and leave space for an outdoor skating rink. I have no use for a leisure room or a kitchen/servery. Many of the apartment buildings in this area already have those spaces in them. I don't mind the gymnasium.	6/5/2025 10:37 PM
165	An indoor running track would be good	6/5/2025 10:17 PM
166	An indoor swimming pool would be highly beneficial.	6/5/2025 10:12 PM
167	There should be an indoor track for people to use all year round in our climate like Dakota's	6/5/2025 9:38 PM
168	No	6/5/2025 9:16 PM
169	Tables and chair set up available for markets in the gym.	6/5/2025 8:06 PM
170	Need a pool in Sage Creek!	6/5/2025 7:52 PM
171	I don't want a community centre there.	6/5/2025 6:32 PM
172	No	6/5/2025 6:10 PM
173	Lacking vision and an indoor rink.	6/5/2025 6:05 PM
174	It would be great to have a gym with workout options	6/5/2025 5:33 PM
175	Where is the swimming pool to meet the demand for community swimming lessons and skating rinks?	6/5/2025 5:20 PM
176	Ideally would have a social gathering area such as a coffee shop, tables for board games, and maybe a relaxing water feature - for day to day casual use. (Possibly even provide constant income for the building)	6/5/2025 4:47 PM
177	Why there is no indoor pool? Swimming and water activities are so important for health purposes and the south of the winnipeg does not have a good space yet.	6/5/2025 4:16 PM
178	Please prioritize neighborhood residents for booking these indoor amenities.	6/5/2025 3:53 PM
179	None	6/5/2025 3:44 PM
180	Add a pool	6/5/2025 3:38 PM
181	Does it include a weight room/fitness facility?	6/5/2025 3:34 PM
182	Gym should be equal in size to Glenlawn High School. I believe they call it a gym and a half	6/5/2025 3:12 PM

building for what the community needed 5 years ago now is silly. Build for the future. Dakota community club should be the norm

183	What will the kitchen hours be? Open to all?	6/5/2025 3:09 PM
184	n/a	6/5/2025 2:52 PM
185	Unnecessary!	6/5/2025 2:45 PM
186	Weight / workout room would be good.	6/5/2025 2:16 PM
187	Disappointed there isn't an indoor weightroom put into the plan. As noted there are no public weight rooms in the area currently.	6/5/2025 2:07 PM
188	Public showers and locker rooms would be great during the winter months when being sweaty from activities turns to cold and damp feelings when returning outdoors.	6/5/2025 2:06 PM
189	None	6/5/2025 2:06 PM
190	An indoor pool will be a very beneficial addition for the families with little ones.	6/5/2025 1:57 PM
191	Looks lovely.	6/5/2025 1:40 PM
192	The neighborhood is large and the centre will not be sufficient	6/5/2025 1:38 PM
193	Fitness Center would be awesome! Free weights, machines etc. like Fort Rouge	6/5/2025 1:30 PM
194	The proposed amenities are well thought out and cover a wide range of community needs. However, I would like to recommend the addition of a swimming pool with a sauna and a dedicated fitness area to further promote health and wellness for residents of all ages. I also suggest including a warm-water splash pad for young children as part of the indoor or adjacent recreation facilities.	6/5/2025 1:24 PM
195	sounds like a lot going on in a small area	6/5/2025 1:24 PM
196	I feel strongly that this facility should have an indoor pool with it, rather than any multi-purpose room with kitchenettes or a servery/kitchen. The amount of kids in Bona Vista and Sage Creek that have to go to swimming lessons 20-40 minutes away because the leisure guide fills up so quickly is ridiculous.	6/5/2025 1:23 PM
197	This is great, just have it not in the proposed location.	6/5/2025 1:18 PM
198	Every school has gymnasiums with basketball and volleyball amenities for rent. We have a lack of swimming pools in Winnipeg for our population and a severe lack of pools in the Southeast area of Winnipeg. Swimming is a life skill. I'd prefer to see the gym area be a swimming pool instead.	6/5/2025 1:16 PM
199	Will there be a skating rink? This seems like something the community desperately needs.	6/5/2025 12:53 PM
200	must have enough washroom and changing room, must be clean at all times, no smoking allowed	6/5/2025 12:45 PM
201	Where's the rink?	6/5/2025 12:43 PM
202	We will not be using it.	6/5/2025 12:34 PM
203	If any chance to have indoor tennis court, that'll be super in Winnipeg	6/5/2025 12:32 PM
204	Needs a swimming pool. Nobody cares about the rest.	6/5/2025 12:32 PM
205	Bigger gymnasium and an indoor pool as well as a rink	6/5/2025 12:21 PM
206	Weights would be an amazing addition!! We are lacking in the area for somewhere reasonable to just do weight lifting. With all the new research showcasing the importance of strength training, the need for this type of equipment will continue to increase.	6/5/2025 12:12 PM
207	Swimming pool and indoor track	6/5/2025 12:10 PM
208	I would like to see an indoor track and fitness area with weights	6/5/2025 12:04 PM
209	Why no arena? No pool? No spray pad?	6/5/2025 11:58 AM

211	Could we please have an indoor space for field hockey?	6/5/2025 11:48 AM
212	I would like to see an indoor baseball/softball field so the turf. We do not have one in this area and it would be great.	6/5/2025 11:37 AM
213	Game room with foosball, arcade, video game machines, pool, chess L	6/5/2025 11:36 AM
214	Where I live, there is nothing like this. Our amenities are being closed.	6/5/2025 11:34 AM
215	Provide an indoor pool	6/5/2025 11:33 AM
216	Much to small of this is to serve Sage Creek. Very shortsighted planning	6/5/2025 11:24 AM
217	We need an indoor pool with swimming lessons and fitness centre.	6/5/2025 11:23 AM
218	Wouldn't use any of them	6/5/2025 11:23 AM
219	Hockey rink!	6/5/2025 11:20 AM
220	I'd like to see a walking track	6/5/2025 11:11 AM
221	Needs a pool	6/5/2025 10:48 AM
222	It's nice to see places like this exist. Will be excited to see similiar proposals for older neighbourhoods.	6/5/2025 10:36 AM
223	There is a lack of pools and outdoor hockey rinks. We need more of these	6/5/2025 10:32 AM
224	Add in a hockey rink!	6/5/2025 10:25 AM
225	Indoor playground, pool	6/5/2025 10:13 AM
226	I would like to see a gym included. Relying on private gyms many kms away is not feasible. They can shut down at anytime and Orange Theory and 9Round are not gyms where people can go workout outside of a particular class.	6/5/2025 10:02 AM
227	We don't have enough swimming facilities in our city. The Bonivital Pool was built in the 70's and now the population in the area has almostt trippled since it was built. The federal government has stated that swimming is an essential life skill but there are inadequate facilities in the city to be able to provide swimming lessons to children. An extra indoor swimming facility should be included to help expand the opportunity for swimming lessons	6/5/2025 10:00 AM
228	We need swimming pool as well!!! And indoor tennis courts as the private ones are so expensive!!!!	6/5/2025 9:49 AM
229	It would be beneficial if there was space for a weight room (benches, free weights, barbells, racks, power cages), functional trainer systems, treadmills, etc. There are a lot of teens and adults in the area that would like to work out but cannot afford the equipment.	6/5/2025 9:47 AM
230	An indoor pool would be greag	6/5/2025 9:41 AM
231	Love the inclusion of pickleball.	6/5/2025 9:33 AM
232	Add a gym for people to work out in.	6/5/2025 9:30 AM
233	Not large enough to meet community needs, including sage creek large senior population	6/5/2025 9:28 AM
234	indoor pool with slides would be great for winter	6/5/2025 9:27 AM
235	It needs a year round/indoor swimming pool. Please add it.	6/5/2025 9:26 AM
236	Build one rec centre in Sage creek	6/5/2025 9:22 AM
237	Should add a gym	6/5/2025 9:21 AM
238	No indoor hockey or indoor weighted gym.....	6/5/2025 9:20 AM
239	No	6/5/2025 9:18 AM
240	I'm believe there is a huge need in this area of the city for more indoor ice for skating lessons, rec skating and ice sports.	6/5/2025 9:16 AM
241	The facility looks nice but one more meeting room would be ideal	6/5/2025 9:16 AM

242	Outdoor ice	6/5/2025 9:12 AM
243	I believe we don't need another gymnasium in this city as we have schools everywhere with gymnasiums . We should use those instead! These should become community spaces. Add to school budgets instead to hire a caretaker to clean gymnasiums after use by the public!	6/5/2025 9:11 AM
244	A swimming pool would be nice!	6/5/2025 9:10 AM

255	Why all the room for kitchen's	6/5/2025 8:24 AM
256	Don't need a kitchen. Really would like a gym area inside with weights and workout equipment. Also a room for group workout classes like yoga and Pilates	6/5/2025 8:23 AM
257	Not in my area Perhaps area for weekly artist group to meet?	6/5/2025 8:12 AM
258	This is a suburban facility that will serve a limited number of people, myself and my family not among them. Please stop spending money the city does not have. Fix the Arlington bridge.	6/5/2025 8:03 AM
259	Add indoor track above the gym area for walking/running	6/5/2025 7:49 AM
260	There should be a rink inside. Rink availability is always hard to come by. It's a real disservice to the community not to include more rink space. School gyms are common and can be used for gym activities.	6/5/2025 7:45 AM
261	An outdoor hockey rink, a workout gym and daycare space	6/5/2025 7:45 AM
262	I don't want to have all these multi purpose spaces for people to rent for family gatherings and parties. I want this to focus on fitness, so the island lakes, bona vista and Sage Creek areas have a public gym available. I don't know why we're wasting so much public space on kitchenettes.	6/5/2025 7:41 AM
263	Don't think a kitchen is needed, we need more rinks in Winnipeg with the aging of maginot	6/5/2025 7:18 AM
264	If there is possibly an indoor walking track option lined out in the gym.	6/5/2025 6:35 AM
265	Was really hoping for a gym (free weights, exercise equipment, etc) not just group fitness classes.	6/5/2025 6:05 AM
266	There should enough indoor space for residents who'd like to host weddings, social events, birthday parties, charity drives, and other activities.	6/5/2025 1:02 AM
267	Would love to have a track like the Jonathan Toews complex	6/4/2025 11:43 PM
268	I'm not sure if I will use them yet, but the variety seems good.	6/4/2025 11:27 PM
269	Would make more sense to have more space for kids activities, extra gym or workout space instead of kitchens and meeting rooms	6/4/2025 11:21 PM
270	Excited to use this space for dodgeball hopefully!!!!	6/4/2025 11:19 PM
271	In order to meet the current needs for Pickleball, there should be at least 9 to 12 Pickleball courts indoors. Just speak with staff at the Dakota Fieldhouse and they will tell you how their 12 Pickleball courts are constantly full with a waiting list trying to get onto the courts. It is the	6/4/2025 11:12 PM

fastest growing sport and if you only have 3 pickle ball courts indoors, you will regret that immediately. Three Pickleball courts is not sufficient to meet the needs of the community. There is a very high demand for indoor Pickleball courts. The drop in fee multiplied by the number of people playing will be a great source of income for the new centre if you increase the number of indoor pickleball courts to anywhere between nine and 12 courts.

291	There needs to be an indoor pool. Swimming lessons have been so hard to access due to lack of available spots, it feels like winning the lottery when you finally get your child in to a pool across the city,.	6/4/2025 8:01 PM
292	An indoor pool for additional swimming lessons and public swim. City swimming lessons are already impossible to get into and we need more pools in this area instead of having to drive such far distances with young children.	6/4/2025 8:01 PM
293	No	6/4/2025 7:46 PM
294	A kitchen and meeting room should not be included. It is not near enough a school or library, so it would likely be wasted space.	6/4/2025 7:41 PM
295	An indoor running track is missing.	6/4/2025 7:33 PM
296	If this is a multi floor building, it should have a swimming pool as well. Or even if we don't have a multiple floors. There's basketball courts in islands lakes, and Sage creek but no swimming pools. Please advise.	6/4/2025 7:07 PM

#	RESPONSES	DATE
1	We're concerned about the noise from the outdoor basketball and pickleball courts. Currently, they are closer to Evelyn Reese and Bonaventure Drive West, so those living in that area will inequitably be more disrupted by these. Could the buildings be arranged so they block the noise, or other sound barriers used? We also question the need for outdoor courts - keep it all indoor. No noise, and year-round use rather than eating up valuable green space for less than half the year. There is an outdoor basketball court next to Island Lakes school. We like the addition of a picnic shelter (more than one?) and outdoor seating areas. Would be great to have more multi-use green space for spontaneous volleyball or Ultimate games with family. What is currently saved along the soccer field would be useless if a soccer game is on. The rest of the green space that is "saved" (ie. walking paths, toboggan hill, play structure) is of no use for games.	6/30/2025 2:25 PM
2	Again it lacks connectivity to Royalwood	6/27/2025 9:15 PM
3	no	6/27/2025 11:23 AM
4	Outdoor tennis court	6/26/2025 4:35 PM
5	Might be ideal to have more picnic shelters.	6/26/2025 4:18 PM
6	Can an outdoor skating pond be added? Lakes in the area are unskateable due to ruts	6/25/2025 2:56 PM
7	The more greenspace and outdoor amenities, the better	6/25/2025 2:49 PM
8	None.	6/25/2025 11:26 AM
9	we need more outdoor green space	6/25/2025 10:35 AM
10	Outdoor hockey rink/rinks are needed in this area. Whether City or community run we need to find a way to ensure access to a rink for our youth. Over 50% of respondednts shared this sentiment.	6/25/2025 9:06 AM
11	Wish these had been proposed when our family was young - 10,15 years ago! great for the community	6/25/2025 8:57 AM
12	Can the pickle ball also be sued as a tennis court?	6/23/2025 6:01 PM
13	If this project does go a head an outdoor hockey rink would be a good idea, that is something the community would use. There are basketball and tennis courts a 5 minute walk away from this location.	6/23/2025 1:52 PM
14	Playstructure and/or splashpad	6/21/2025 10:23 PM
15	Water fountains	6/20/2025 8:44 PM
16	No	6/20/2025 10:55 AM
17	As I previously mentioned, we require outdoor hockey facilities in this end of the city so think the outdoor paved space should be used for that instead.	6/20/2025 9:55 AM
18	So great to have dedicated pickleball courts! There are so many tennis courts and it's hard to find places to play and to meet people! There's a big south Winnipeg pickleball community that's going to be thrilled about this!!	6/20/2025 8:17 AM
19	Picnic shelter is small	6/19/2025 10:18 PM
20	Need to add an outdoor hockey rink!	6/19/2025 3:46 PM
21	Would love to see an outdoor skating rink, doesn't need to be permanent - Set up for winter	6/19/2025 2:56 PM

22	Need outdoor rink with boards + nets changing room/ Warm up space	6/19/2025 2:48 PM
23	Will there be outdoor washrooms	6/19/2025 2:02 PM
24	Potential for noise issue in evening. Lack of local parking when larger events are being held	6/19/2025 1:57 PM
25	Is the meeting room for 10-15 people large enough? Should there be more space available for meeting rooms?	6/19/2025 1:53 PM
26	Wish these had been proposed when our kids were still young. 10-15 years ago but great for the community	6/19/2025 1:33 PM
27	Basketball/ Pickle ball / tennis court at island lakes community center school- no need for additional dollars into existing court	6/19/2025 1:26 PM
28	save place to pleasure skate would be great	6/19/2025 11:13 AM
29	Please turn the pickle ball courts into tennis courts. Not sure what the multi use pavement is for. I can't think of a single use for undesignated pavement besides skateboarding. The skate park that was proposed came against strong opposition in the area. I don't even think a small slab of concrete would be fun for a skateboarder anyways.	6/19/2025 10:46 AM
30	residents who use the open space already don't clean up after themselves and leave insane messes that other community members have to clean up if they want the park looking nice - thus i would strongly discourage a sheltered picnic area. multi-use greenspace is broken up by the soccer field. the 2 smaller open spaces should be together to make a larger space that is more accomodating for people to use. multi use paved space - what is the intention of this??? will not actually get used for activities, just looks like a glorified sidewalk that is wasting space that could be green space.	6/19/2025 10:09 AM
31	It is nice	6/18/2025 10:26 PM
32	I propose outdoor chairs for people to rest after a long walk or game. Also proposed stationary exercise materials or guides along the trail or walkway for people to stop and use.	6/18/2025 9:12 PM
33	We need a pool and hockey arena in Sage Creek or Bonivista	6/18/2025 7:46 PM
34	Plaza too small. Paved area too small.	6/18/2025 6:50 PM
35	No	6/18/2025 6:30 PM
36	Nice variety- Will the basketball fencing have elements within it or near it for reducing sound?	6/18/2025 6:17 PM
37	It would be good to have more shade providing awnings or erections throughout the outdoor space.	6/17/2025 8:23 PM
38	Outdoor skating rinks needed.	6/17/2025 12:56 PM
39	Need an outdoor skating rink.	6/17/2025 9:51 AM
40	We can not afford it.	6/16/2025 11:19 PM
41	There should be an outdoor rinks outdoor rink instead of Pickleball court.	6/16/2025 11:12 PM
42	More is always better of both indoor & outdoor	6/16/2025 5:20 PM
43	Outdoor workout facility	6/16/2025 9:45 AM
44	Skating rink. This should be in the plan	6/16/2025 9:18 AM
45	I think the soccer field could be moved more toward the lake and a volleyball court installed. Also lines for a cricket pitch could be installed.	6/15/2025 2:07 PM
46	Ball diamond? Batting cage?	6/15/2025 9:00 AM
47	Hockey rink or skating area?	6/14/2025 10:13 PM
48	Too much paving over the current park.	6/14/2025 7:11 PM
49	Wonderful concept	6/14/2025 1:31 PM

50	Racing track	6/14/2025 8:35 AM
51	No	6/14/2025 6:47 AM
52	Any chance we could get an outdoor pool? Or an indoor pool? Booking swimming lessons is near impossible, and everyone in Sage Creek and Bonavista have to drive quite a ways to reach a pool.	6/14/2025 12:03 AM
53	I would rather have a tennis court than a pickleball court. Perhaps it could be both a tennis and pickleball court like what Margaret Grant has for their courts. This way people aren't limited to only pickleball, plus, pickleball came after tennis courts on your list of top 5 responses.	6/13/2025 11:03 AM
54	We need skating rinks! The city wants people off retention ponds, you can help by putting in some rinks.	6/12/2025 5:51 PM
55	A splash pad would have been nice; the basketball court should be rubberized	6/11/2025 8:31 PM
56	There needs to be an outdoor skating rink! It will be used tremendously by the public	6/11/2025 6:15 PM
57	The soccer pitch needs to be maintained properly. The weedy unkempt disasters around the city are not acceptable. These fields need to be treated as if they matter	6/11/2025 2:38 PM
58	No	6/11/2025 9:18 AM
59	No	6/11/2025 6:18 AM

61	Waterpark	6/10/2025 11:17 PM
62	Outdoor rink	6/10/2025 10:59 PM
63	Outdoor basketball court should be at least two.	6/10/2025 10:54 PM
64	Good	6/10/2025 10:13 PM
65	The multi purpose space is directly parallel to a road that is going to get busier and is unsafe for the children that use the area	6/10/2025 9:15 PM
66	A gardening space / outdoor classroom area would be nice to teach people about things like gardening, composting, landscape care/home maintenance and neighborhood association carnivals would be nice	6/10/2025 8:34 PM
67	Include lighting for all outdoor amenities	6/10/2025 8:05 PM
68	More picnic shelters	6/10/2025 7:38 PM
69		6/10/2025 7:35 PM
70	Indoor pool needed here.	6/10/2025 7:29 PM
71	Outdoor splash pad would be nice	6/10/2025 7:12 PM
72	Great	6/10/2025 7:05 PM
73	I would rather have the green space	6/10/2025 7:02 PM
74	Already an indoor basketball court, why an exterior one too?	6/10/2025 6:56 PM
75	None	6/10/2025 4:40 PM
76	Winter activities, outdoor skating rink, not sure a 3/4 soccer field is required	6/10/2025 4:38 PM
77	There is already basketball at the nearby school. Please consider an outdoor hockey rink as this is very much desired and currently unavailable in the area	6/10/2025 4:34 PM
78	add a pool	6/10/2025 4:07 PM
79	Pickleball courts in other cities have been generating a lot of resident complaints about the irritating noise. It would be better to have them indoors.	6/10/2025 3:28 PM
80	Ice rink would be preferable for winter recreation use	6/10/2025 12:38 PM

Bonavista Recreation Centre - Phase 2 Survey

81	Could use an improved playground and skating rink	6/10/2025 9:29 AM
82	Ignore previous result. I suppose the pickleball courts can be used for tennis as well??	6/10/2025 1:11 AM
83	2 more pb courts	6/9/2025 10:38 PM
84	Awesome design	6/9/2025 10:12 PM
85	Pickleball court with multiple courts as pictured, a great idea as this space is shared it gives opportunity for people to play.	6/9/2025 9:26 PM
86	Need an outdoor hockey rink where the green space is.	6/9/2025 9:20 PM
87	Tennis court is not considered. I need a tennis court included as part of the outdoor recreation amenities	6/9/2025 8:13 PM
88	Needs a splash pad	6/9/2025 8:05 PM
89	No off leash dog area.	6/9/2025 7:08 PM
90	Only for bonavista we are not allow other people like some random people come and play and sometime like bonivatal soccer come for practise and game . Not allow for them	6/9/2025 6:14 PM
91	We don't need	6/9/2025 5:11 PM
92	Top priority is to have 2 outdoor hockey rinks	6/9/2025 5:06 PM
93	It appears if the drawing is to scale, then rotating the soccer pitch 90 degrees would allow pickleball and basketball to expand or at least be less crowded	6/9/2025 5:05 PM
94	Needs outdoor or indoor hockey rink	6/9/2025 4:18 PM
95	We need strong support for pickleball with greater access to all!	6/9/2025 2:57 PM
96	Why is there no outdoor rinks? There is a huge need for some ice for teams to use for practices as ice rentals in the south end are few and far in between. And a lot of the rinks that are for rent are 2/3 the size of an actual rink (Bertrand/Maginot)	6/9/2025 2:45 PM
97	And outdoor hockey rink is needed	6/9/2025 2:41 PM
98	No	6/9/2025 2:22 PM
99	Waste of spade as it's taking away from the park! Finish Warde before doing anything else in this area!	6/9/2025 1:18 PM
100	No	6/9/2025 10:07 AM
101	Would like outdoor water park and skating rink!	6/9/2025 6:53 AM
102	I think the picnic shelter should be big enough to do large scale fitness events and/or theater presentations!	6/8/2025 7:16 PM
103	The more pickleball courts, the better! Outdoor pickleball courts are often full or overcrowded in other areas of the city. If we could even expand to six courts or more, that would be ideal.	6/8/2025 4:07 PM
104	Add some disc golf baskets.	6/8/2025 12:33 PM
105	Primary interest is pickleball.	6/8/2025 11:14 AM
106	It would be great if we could have a tennis/pickleball combo court.	6/8/2025 10:41 AM
107	What size of soccer field is this?	6/8/2025 10:30 AM
108	Not enough pickle ball courts as Sage Creek is over used. Could have more than one picnic area. I don't see any play structures or swing sets. What would the multipurpose paved area used fir? You could add another couple of pickle ball/tennis/badminton there. courts there	6/7/2025 10:25 PM
109	Great opportunity of people around here. Can we have a small cafe and some small shops in the hall. So that we can have coffee ? Or slurpee.	6/7/2025 10:19 PM
110	Depending on the use of the picnic area, would it be possible to increase the picnic area?	6/7/2025 10:05 PM
111	We need a recreational Center and shopping place too	6/7/2025 9:06 PM

Bonavista Recreation Centre - Phase 2 Survey

112	We need an outdoor pool	6/7/2025 8:32 PM
113	We have many of these amenities nearby already. Please don't destroy our green space. Move this closer to the perimeter and add an additional exit outside of Bona vista. Traffic is already bad and people drive too fast down Evelynne Reese. Add roundabouts.	6/7/2025 6:50 PM
114	No	6/7/2025 5:07 PM
115	Can the soccer field also be used for ultimate frisbee?	6/7/2025 3:35 PM
116	There should also be provision for indoor soccer court which would be useful during winter	6/7/2025 2:59 PM
117	No.	6/7/2025 2:37 PM
118	bring back the skatepark	6/7/2025 12:18 PM
119	Need an ice hockey Arena !!!are tge parking spots large enough for a truck without taking my mirror off my car need Costco style parking lot !!!	6/7/2025 8:51 AM
120	Il faudrait absolument une piscine ou aux moins un « splash pad »	6/7/2025 8:38 AM
121	It would be nice if there was an outdoor ice rink	6/7/2025 7:53 AM
122	No more outdoor basketball is needed. Especially if we have that inside the building. Winter outdoor activities in this area is lacking space needed. Outdoor skating rink!	6/7/2025 7:23 AM
123	Does pickleball is the same size as a tennis court or is it actually only for pickleball? A lot of young youth are looking for tennis courts.	6/7/2025 12:05 AM
124	There should be outdoor hockey	6/6/2025 10:21 PM
125	Pickleball courts seem useless	6/6/2025 10:04 PM
126	Just build better outdoor spaces	6/6/2025 8:48 PM
127	I think that they should consider having two tennis courts with pickleball lines instead of four pickleball courts. On windy days it is challenging to play outdoor pickleball. Having both would reach more people.	6/6/2025 7:52 PM
128	Outdoor plaza should be larger with shaded areas and more seating	6/6/2025 7:33 PM
129	Prefer to preserve existing green space	6/6/2025 7:30 PM
130	No skating rink?	6/6/2025 6:10 PM
131	Picnic shelter and picnic area should be larger to accommodate large groups.	6/6/2025 5:29 PM
132	Maximize the outdoor green space	6/6/2025 4:59 PM
133	No it looks great.	6/6/2025 3:30 PM
134	Instead of four pickleball courts have two tennis courts with painted lines for pickleball. On days with any wind, the 4 pickleball courts will be empty.	6/6/2025 1:43 PM
135	no	6/6/2025 12:51 PM
136	Could stand to have more picnic space and another basketball court. The basketball court could also be for more pickleball or tennis	6/6/2025 11:03 AM
137	Please ensure the grass is mowed at appropriate intervals. The other parks in the area often get overgrown because Bonivital Soccer only mows the soccer pitch and not the entire park.	6/6/2025 10:56 AM
138	Skate park, shade structures, outdoor play structure, ice rink	6/6/2025 9:16 AM
139	We need more outdoor rinks!	6/6/2025 8:08 AM
140	Maybe a garden bed area to add some greenery/plants etc by the outdoor spaces	6/6/2025 7:16 AM
141	An outdoor running track would be good.	6/6/2025 5:17 AM
142	More basketball courts with lighting	6/5/2025 10:51 PM
143	There is already pickleball at the Sage Creek School location.	6/5/2025 10:12 PM

Bonavista Recreation Centre - Phase 2 Survey

144	Will there be outdoor skating in the winter?	6/5/2025 10:08 PM
145	There should be an indoor track and pickle ball courts to use all year round	6/5/2025 9:38 PM
146	No	6/5/2025 9:16 PM
147	It needs an outdoor hockey rink	6/5/2025 9:06 PM
148	Given the neighborhood. I'd say more basketball courts	6/5/2025 8:32 PM
149	No	6/5/2025 6:10 PM
150	Missing a splash pad or something for cold weather.	6/5/2025 6:05 PM
151	Needs an outdoor rink for the community not pickleball	6/5/2025 5:48 PM
152	Swimming pool and hockey rink needed	6/5/2025 5:20 PM
153	Again - dog park would be a huge asset.	6/5/2025 4:47 PM
154	Please have local neighborhood residents priority booking of these spaces or an public online schedule to view any bookings	6/5/2025 3:53 PM
155	Outdoor hockey/skating rink to take priority.	6/5/2025 3:46 PM
156	Wrong place	6/5/2025 3:44 PM
157	Hockey and Ringette is a very large part of this community that isn't being taken seriously. Southdale isn't adequate for these sports in south east Winnipeg. There needs to be outdoor rinks in this plan!!! [REDACTED] [REDACTED] There is no outdoor rink anywhere close to sage creek.	6/5/2025 3:12 PM
158	Will the area be closed off at night? Will it be patrolled? Or will humans be allowed to use it.	6/5/2025 3:09 PM
159	Judging from how busy the pickle ball and basketball courts are in Sage creek you may consider adding more. (1 or 2 more pickle ball and another basketball court).	6/5/2025 3:08 PM
160	n/a	6/5/2025 2:52 PM
161	Make the soccer field a hockey rink in the winter	6/5/2025 2:50 PM
162	We don't need this amenities!	6/5/2025 2:45 PM
163	A quality baseball field. A multiuse field isn't a game changer.	6/5/2025 2:16 PM
164	Although it may be slightly outside the 2km radius, there are nearby basketball courts at Island Lakes School, so I'm not sure another set is necessary. I'm disappointed that an outdoor, rubberized running track around the soccer field was not part of the plan. Would also like to explore the field being turf instead of grass and include lines for multiple sports (lacrosse, football, field hockey etc)	6/5/2025 2:07 PM
165	Could there be another picnic shelter on the northeast or east side of the soccer field? Could there be covered team benches for the soccer field to shelter from the sun during hot game days?	6/5/2025 2:06 PM
166	What about an extended park or some more play area amenities. The park has barely anything that kids really enjoy.	6/5/2025 1:57 PM
167	Fencing for basketball/pickleball courts separating each other and from soccer field would be wise.	6/5/2025 1:40 PM
168	Currently the space is constantly in use- people playing soccer and enjoying the space. Reducing the size of the field will limit the games able to be played. Multipurpose concrete area does not seem to have much of a purpose. The tennis courts at island lakes community school are rarely used	6/5/2025 1:38 PM
169	The variety of outdoor amenities is appreciated and appears to meet a broad range of community needs. However, I would like to suggest the addition of a splash pad with warm water near the children's play area to improve comfort and accessibility for younger children during the summer season. It may also be beneficial to ensure shaded seating areas are	6/5/2025 1:24 PM

available throughout the site to support longer stays and improve accessibility for families and seniors.

170	pickleball is hard to play with wind, hope court is blocked from wind	6/5/2025 1:24 PM
171	Again, yhe proposed site location will significantly reduce the existing green space in the area. A more suitable alternative for development would be across the lane, near Warde, westbound along Evelynne Reese Boulevard. This location would preserve the current green space in the field and make more effective use of the underutilized area. Keep the soccer field where it is and just put the rec. complex across the lane.	6/5/2025 1:18 PM
172	Is it possible to have board around one of the paved areas to convert it into a skating rink/hockey arena in winter or for use as a ball hockey location in summer? What can basketball and pickle ball courts be used for in winter?	6/5/2025 1:16 PM
173	Hopefully the soccer field can be turned into an outdoor ice rink in the winter.	6/5/2025 12:55 PM

175	No baseball diamonds? Come on. One soccer field is not enough. And no outdoor skating?	6/5/2025 12:43 PM
176	It should be a multi-use outdoor space. Not a cement building and parking lot.	6/5/2025 12:34 PM
177	Is pickleball courts for both tennis and pickleball? The current tennis courts beside island lakes school is very old and needs court surface to be redone	6/5/2025 12:32 PM
178	Still needs a pool. Outdoor plaza??? Really?? I see you. Inexpensive way to use up space and not serve any purpose. Classic Winnipeg.	6/5/2025 12:32 PM
179	Splash pad or water features would be a fantastic addition with so many families in the area. Also an accessible playground or playground of any kind!	6/5/2025 12:12 PM
180	Why no spray pad? What about washroom/water fountain access when the indoors isn't in operation?	6/5/2025 11:58 AM
181	make it accessible for people with mobility issues splash pad would be useful	6/5/2025 11:57 AM
182	It would be nice to have a field hockey turf either indoor or outdoor. Soccer fields are not ideal for us because the blades of grass are too thick and high for the ball to move. Please consider.	6/5/2025 11:48 AM
183	Would like to see some outdoor baseball or softball diamonds as well to meet the growing need for diamonds in the Bonivital area.	6/5/2025 11:37 AM
184	Sure would be nice where I live.	6/5/2025 11:34 AM
185	Outdoor tennis courts in the paved multi-use space?	6/5/2025 11:23 AM

191	Is it possible to have outdoor volleyball courts?	6/5/2025 10:12 AM
192	It would be nice to address the many young families in the neighbourhood and add a splash pad. There is only one at island lakes school and it is doesn't not have enough capacity for the amount of people.	6/5/2025 10:02 AM
193	This whole space takes up the current green space that our families in the area are enjoying. Again, it would make more sense to have the rec centre on the outskirts or by the boundry of the area. The location is terrible.	6/5/2025 10:02 AM
194	A baseball diamond	6/5/2025 10:00 AM
195	Need to have washrooms outside too so that older and very young folks can use it	6/5/2025 9:49 AM

196	Having the basketball court at the new facility will be GREAT! Please do not get rid of this during your final planning!!! There are always a lot of kids playing at the court at Island Lakes School, but this one is worn down and not the greatest. Plus, there is never enough space due to the amount of kids I see wanting to use the basketball court at the school. There is minimal cost for the kids to play this sport (runners and a basketball).	6/5/2025 9:47 AM
197	Less outdoor space as it can only be used a few months of the year. We need an indoor pool	6/5/2025 9:41 AM
198	Please add a rink	6/5/2025 9:38 AM
199	The design looks good. I was hoping to see a pool as there are none in the area except a splash pad. Perhaps that's coming.	6/5/2025 9:30 AM
200	Need more	6/5/2025 9:28 AM
201	Please add an outside swimming pool and splash pad. We pay so much taxes in the south of the city, we want to see some results.	6/5/2025 9:26 AM
202	Build one in Sage Creek	6/5/2025 9:22 AM
203	What about adding a play structure of some sort or a splash pad?	6/5/2025 9:19 AM
204	No	6/5/2025 9:18 AM
205	I think that there could be more green space left if they didn't build a basketball and pickleball court. The city is supposed to be repaving the courts at the island lakes school which is very close and if that is the case, two pickleballs so close together would be duplicating efforts. More green space or an off leash dog zone would be more useful.	6/5/2025 9:16 AM

213	It would be very nice to have a hockey rink in the community at least 1 if not 2. If we cannot have an indoor rink then an outdoor one at the community center should be considered. Also a baseball diamond	6/5/2025 9:00 AM
214	1. is there parking allowed on Warde Ave? (for potential watching soccer from weather elements inside car) 2. Vehicle access for dropping off amenities at picnic shelter? (especially seasonal use?)	6/5/2025 8:56 AM
215	Would benefit from two more shade structures near building at multi purpose green space	6/5/2025 8:38 AM
216	No	6/5/2025 8:36 AM
217	Tennis courts can be turned into pickleball courts but not the other way around. Tennis courts with pickleball lines would be more practical. Also, maybe instead of a huge parking lot, add an outdoor rink to the plan.	6/5/2025 8:29 AM
218	Would like at least one tennis court instead of pickleball	6/5/2025 8:23 AM
219	Lack of outdoor hockey rink	6/5/2025 8:22 AM
220	Cross country ski trails	6/5/2025 8:12 AM
221	Please don't build this until you can repair critical infrastructure,	6/5/2025 8:03 AM
222	need little kid soccer fields and baseball diamonds	6/5/2025 7:49 AM
223	Ability to rent picnic spaces and possibly bbqs etc for birthdays etc	6/5/2025 7:49 AM
224	There should be at least one outdoor rink. Perhaps designed to convert to pickleball and basketball courts in the summer.	6/5/2025 7:45 AM

225	Again the traffic access in the area is a concern. Access from Warde is not good and there is lots of speeding on Warde and Evelynne Reese due to straight ways and no stop signs. It is concerning to increase the traffic and more people in the area.	6/5/2025 6:49 AM
226	More picnic shelters or tables with adequate trash disposal/recycling nearby. An outdoor play area for younger kids (playground, nature playground etc)	6/5/2025 6:35 AM
227	Please make these spaces bookable	6/5/2025 6:25 AM
228	It shouldn't be done in phases....what a waste of money. Get it all done at once or don't do it at all.	6/5/2025 6:13 AM
229	I didn't see an outdoor rink in the winter. Will there be one?	6/5/2025 6:05 AM
230	Need more hockey rinks. Outdoor vball courts (grass or sand)	6/4/2025 11:21 PM
231	More pickleball would be better instead of blank spaces	6/4/2025 11:21 PM
232	It would be nice to have a skating rink included, for hockey or pleasure. It's nice to have winter amenities in the community.	6/4/2025 11:19 PM
233	You should have at least six outdoor Pickleball courts.	6/4/2025 11:12 PM
234	Swap pickleball with an outdoor rink and we're set	6/4/2025 11:04 PM
235	Love the greenspace, and sheltered picnic space!	6/4/2025 10:52 PM
236	Will create opportunity for kids to have a safe place to enjoy them selfs	6/4/2025 10:41 PM
237	Mentioned this earlier though it seems more applicable here. An outdoor rink for the winter would be the most important thing for me personally.	6/4/2025 10:38 PM
238	We have more soccer fields than we need in Wpg. Outdoor basketball and pickle ball courts are excessive. Again Wpg has miserable weather from Nov-April (6 months of 12) they won't be in use	6/4/2025 10:36 PM
239	Soccer field is totally unnecessary, low usage and high maintenance	6/4/2025 10:29 PM
240	Splash pad or skating rinks	6/4/2025 10:19 PM
241	Park	6/4/2025 9:56 PM
242	As per my previous message, outdoor rinks should be an available and the fact that they are not in the plans is extremely dissapointing!!	6/4/2025 9:47 PM
243	No need for soccer field imo	6/4/2025 9:45 PM
244	Should have an accessible/inclusive playground. This is something that's very needed in the southend	6/4/2025 9:31 PM
245	Add an outdoor hockey rink	6/4/2025 9:28 PM
246	Baseball, batting cages or field and outdoor hockey rink should be considered as no winter sports are available in the area	6/4/2025 8:47 PM
247	I feel like we already have a soccer field in the area.	6/4/2025 8:38 PM
248	These are good	6/4/2025 8:26 PM
249	Add baseball or softball diamonds	6/4/2025 7:46 PM
250	I think that there is a lot of basketball. I would love to see a hockey arena outside possibly.	6/4/2025 7:21 PM
251	Yes why not add a outdoor rink	6/4/2025 6:57 PM
252	Consider covered gazebo at outdoor picnic area	6/4/2025 6:43 PM
253	No	6/4/2025 6:38 PM
254	Again just acknowledging that is the only playground for our entire neighborhood, perhaps it can be upgraded to accommodate more children at play? The tall slide is a death trap, and could something be added to make it more inclusive?	6/4/2025 6:24 PM
255	The outdoor plaza is in a terrible location people will not feel comfortable sitting there with all	6/4/2025 5:53 PM

the traffic from the intersection the location has too many eyes on it also what is the point of tables and chairs if there is no café or food establishment in the building to buy lunch or refreshments. This is an excellent opportunity to support a local coffee shop or small business. And also to allow a designated outdoor parking space for commercial ice cream trucks or food trucks. Otherwise what is the point of the outdoor picnic area if there are no establishments in the area to purchase food from.

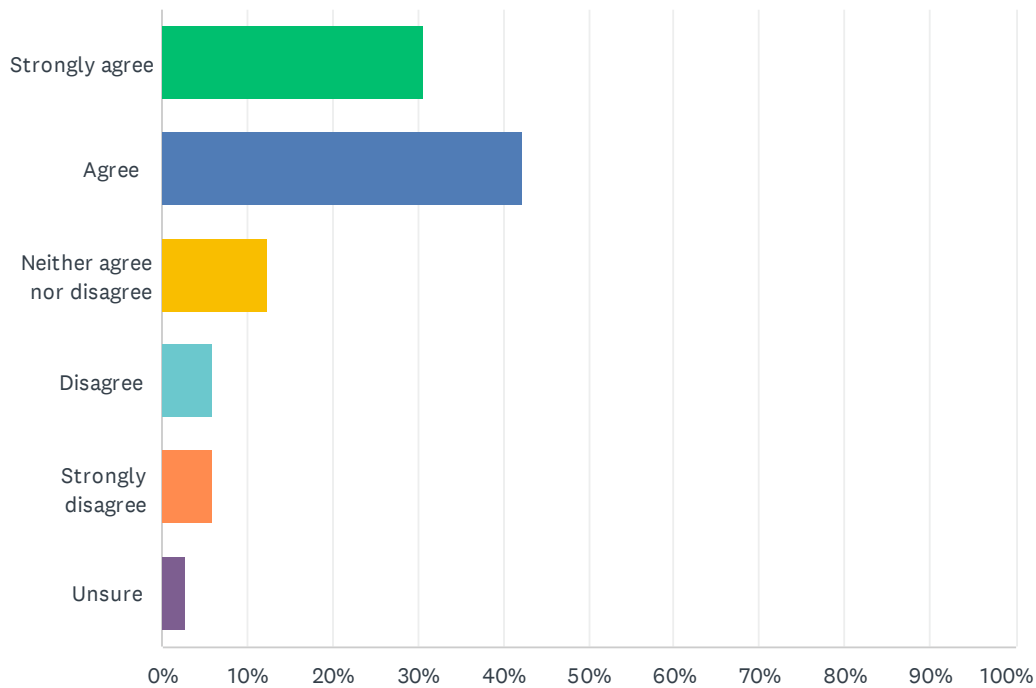

256	Tennis court lines on pickleball would be great to have both options	6/4/2025 5:48 PM
257	Will it be dog friendly?	6/4/2025 5:44 PM
258	A play structure for the kids would be a nice addition or improvements to the existing play structure near by.	6/4/2025 5:20 PM
259	Maybe fit in an outdoor hockey rink. Hockey is more popular then pickle ball	6/4/2025 4:09 PM
260	Outdoor rink seems to be missing	6/4/2025 4:00 PM
261	As a family with children we use the green space often. Adding an indoor basketball court and pickleball court aswell as an outdoor basketball court and outdoor pickleball court seems wasteful.	6/4/2025 3:59 PM
262	Horrible location	6/4/2025 3:52 PM
263	Would be a nice spot to put in an outdoor pool	6/4/2025 3:27 PM
264	More picnic areas	6/4/2025 3:09 PM
265	A covered picnic shelter would be ideal, particularly during the hot summer months and during a rain shower.	6/4/2025 2:32 PM
266	Thank you for the picnic shelter and outdoor pickleball courts	6/4/2025 1:41 PM
267	This city is lacking on decent baseball fields!	6/4/2025 1:31 PM
268	greenspace too small as between soccer field and childrens park. People looking for a green space to hang out in or even walk dogs are now extremely limited. "multi use paved space" appears to be a fancy word for large sidewalk. The size does not appear that it would accomodate many uses at all aside from maybe a seating area. Outdoor plaza / seating area - this looks like a restaraunt style patio seating - unnecessary as there is no food service? most people would rather sit on a bench in a park than at the corner of a busy intersection.	6/4/2025 1:10 PM

273	Will you remain the current space for playground? If not, please remain and even expand that place for children.	6/4/2025 12:50 PM

275	No	6/4/2025 12:29 PM
276	Need desperately an outdoor rink or two.	6/4/2025 12:27 PM
277	Please plant more trees!! The playground is unusable during much of the day in the summer with no shade coverage.	6/4/2025 12:20 PM
278	Green areas are great now, but cutting it in half will make the area feel cramped and overcrowded. There are already picnic areas and adding more traffic to area will make the cyclists more at risk not safer.	6/4/2025 12:19 PM
279	There are tons of other green spaces in the neighbourhood we need a community centre!	6/4/2025 12:16 PM
280	Love it	6/4/2025 12:08 PM
281	Why are there indoor and outdoor pickleball courts. There are pickkleball courts down the road beside island lakes school. And they are rarely used.	6/4/2025 12:04 PM

Bonavista Recreation Centre - Phase 2 Survey

282	I think it is such a loss for the ears to loose a majority of the only green space we have. The location of this facility will cause major traffic issues to a small intersection and will cause parking issues in the area. This area of land was not the original designated space for this facility. Why doesn't the government fix the community clubs in the city that are already needing repair instead of building a new one?!	6/4/2025 12:03 PM
283	Add a hockey rink	6/4/2025 12:00 PM

1	We're concerned about the noise from the outdoor basketball and pickleball courts. Currently, they are closer to Evelyn Reese and Bonaventure Drive West, so those living in that area will inequitably be more disrupted by these. Could the buildings be arranged so they block the noise, or other sound barriers used? We also question the need for outdoor courts - keep it all indoor. No noise, and year-round use rather than eating up valuable green space for less than half the year. There is an outdoor basketball court next to Island Lakes school. We like the addition of a picnic shelter (more than one?) and outdoor seating areas. Would be great to have more multi-use green space for spontaneous volleyball or Ultimate games with family. What is currently saved along the soccer field would be useless if a soccer game is on. The rest of the green space that is "saved" (ie. walking paths, toboggan hill, play structure) is of no use for games.	6/30/2025 2:25 PM

3	The City should approach development of this city from a cost minimization and full-lifecycle approach. Use quality, durable finishes. Default to less capacity rather than over capacity.	6/26/2025 4:39 PM
4	I am glad the city is not proposing another facility that caters to hockey, not everyone enjoys hockey	6/25/2025 2:50 PM

9	It does not have enough winter uses. Basketball court could easily be used as space for a rink in the winter. The buzz of Winakwa C.C in the winter (this is the closest rink for our kids) is all thanks to the honey rinks.	6/25/2025 9:08 AM
10	Pay attention to traffic flow! more traffic circles. Fewer 4 way stops that's back up traffic. Absolutely no traffic signals. A circle at warde and De la Seigneurie is desperately needed. The community will riot if you clutter up the neighborhood with stop signs & stop lights.	6/25/2025 9:01 AM

72	Would like to see change rooms/locker rooms. Hopefully this site will be open during the day (most days) to be able to use the washrooms while my family is at the park.	6/9/2025 10:40 PM
73	City outdoor rink or temporary rink that gets setup to allow people to learn how to skate or shoot pucks or rings.	6/9/2025 9:26 PM
74	Outdoor hockey rink	6/9/2025 9:20 PM
75	please add permanent gym facilities	6/9/2025 8:24 PM
76	Pool!	6/9/2025 8:05 PM
77	Off leash dog area needed.	6/9/2025 7:08 PM
78	Not	6/9/2025 6:14 PM
79	There should be an ice rink at this facility	6/9/2025 5:57 PM
80	We don't need Anything on park	6/9/2025 5:11 PM
81	Top priorities 2 outdoor rinks	6/9/2025 5:06 PM
82	I don't think there is a need for two large multi purpose rooms. One at most.	6/9/2025 5:05 PM
83	Site needs hockey rink either outdoor or indoor	6/9/2025 4:18 PM
84	What's there now is really all that appealing as it's is. The viewing deck is cool the first time you see it and then the novelty wears off as I'm sure the houses nearby love having people	6/9/2025 2:45 PM

looking into their backyards. Lack of parking right now is an issue too I highly doubt the top indoor results were rental space, learn to activities and arts and crafts. Those results lean towards a money making venture or an older generation want. You're not thinking of the future as youth sports programming with rental space is at a premium and this new centre wont help at all. Outdoor wants number 1 has to be an outdoor rink and not a pleasure rink. The city makes a pleasure rink at De La Seigneurie park that's maybe 10'x10' and it's very rough and not considered a pleasurable skate

85	No	6/9/2025 2:22 PM
86	Why are you taking space away from the park? Why are you adding more traffic in the area when Warde has not been finished? This building is a waste as it's going to be so small. Finish Warde first!!!!	6/9/2025 1:18 PM
87	Why not include a gym W weights/ cardio equipment? There's nothing else in the bonavista/sage creek/island lakes area	6/9/2025 11:52 AM
88	I can already see the increased traffic, the increased business of the two neighbours and the disadvantages it will have at night	6/9/2025 11:08 AM
89	No	6/9/2025 10:07 AM
90	Need more winter amenities.	6/8/2025 9:04 PM
91	While this idea is a great start, the indoor facilities are a bit too generic. Adding a traditional gym (weightlifting equipment, treadmills, ellipticals, etc.) is key, and would make this an excellent year-round facility. It would also address a need for the community, which is currently underserved in terms of traditional gyms.	6/8/2025 4:07 PM
92	Could use a pool in the area	6/8/2025 12:33 PM
93	What are the plans for traffic? All this stuff is great, but what about traffic?	6/8/2025 12:20 PM
94	I would be thrilled to have this here! so close to my house	6/8/2025 11:20 AM
95	Will you have outdoor hockey rinks on some of the courts or on the soccer field? To keep the kids from having to play hockey on the streets and for families to have skate time.	6/7/2025 10:25 PM
96	Will go to open house	6/7/2025 10:05 PM
97	Washrooms should have cameras on the sink area and around the entrance doors to monitor any suspect activity due to washrooms being all gender allowed.	6/7/2025 7:54 PM
98	Move the location closer to the perimeter. Don't destroy the green space. Add an additional exit. Build a pool, a gym with weights, and a hockey rink.	6/7/2025 6:50 PM
99	Pool area would be good as no facility in this area	6/7/2025 5:19 PM
100	Pls add swimming pool option	6/7/2025 5:07 PM
101	It would be neat if a daycare/babysitting service could be added. And dance parties or little clubs for kids.	6/7/2025 3:35 PM
102	Other than missing an indoor walking track this is a lovely facility	6/7/2025 3:15 PM
103	No.	6/7/2025 2:37 PM
104	Need a hockey arena !!!!	6/7/2025 8:51 AM
105	Il faudrait considérer une piscine ou un endroit où se rafraîchir en été	6/7/2025 8:38 AM
106	There is a lack of a place to play soccer in winter.	6/7/2025 8:06 AM
107	This will increase traffic in the area which I don't have a significant concern with but the intersection of de la Seigneurie and Warde would need to be addressed. It already backs up at peak times so better flow would be needed. Overall this would be a great addition to our community.	6/7/2025 6:22 AM
108	Including tennis courts in the interior plans	6/7/2025 12:05 AM
109	What part of the park is usable in winter? Put in a hockey rink	6/6/2025 10:21 PM

Bonavista Recreation Centre - Phase 2 Survey

110	Would be nice to have space for daycare in the facility.	6/6/2025 6:19 PM
111	Lack of hockey rinks in the area - would be a perfect place for one.	6/6/2025 6:10 PM
112	Would like to see inclusion of a few disc golf targets and tee boxes as well.	6/6/2025 5:29 PM
113	Have other sites in Safe Creek been considered since there is sufficient land to build a rec centre there	6/6/2025 4:59 PM
114	Why aren't we building this near primary transit routes or in denser neighborhoods	6/6/2025 4:55 PM
115	I still would like the green space to be considered	6/6/2025 4:52 PM
116	No like previously mentioned traffic/parking is the biggest issue.	6/6/2025 3:30 PM
117	no	6/6/2025 12:51 PM
118	The community uses the Greenspace where the proposed rec centre will be quite regularly every single day, and as a whole have concerns about the amount of greenspace that will be removed with the construction of the rec centre. I feel that a rec centre is a great addition to the area, but also feel the same concern of not wanting to infringe too much on the existing green space. The proposed plans do not seem to take away too much from the existing space and hope the final product will be the same	6/6/2025 12:46 PM
119	more indoor pickleball courts . even 4 to 5 rather than 3 makes a huge difference	6/6/2025 11:43 AM
120	There NEEDS to be a round a bout at Ward and De La Seigneurie if this is to go through. The high volumes of traffic coming from hwy 59 already existing will be increasing substantially and this intersection is already a big problem with the current volume... please change this asap!!	6/6/2025 11:41 AM
121	The plan looks very good	6/6/2025 11:03 AM
122	Again, I want a swimming pool.	6/6/2025 10:56 AM
123	How about a pool??.	6/6/2025 10:53 AM
124	Splash pads?	6/6/2025 10:02 AM
125	There should be an outdoor rink for skating.	6/6/2025 9:20 AM
126	Please add a library	6/6/2025 7:58 AM
127	Need more parking	6/6/2025 7:15 AM
128	Will it be used by community and not be able to be booked out to other communities?	6/5/2025 10:51 PM
129	Keep the gymnasium, don't include a leisure room. Add an outdoor skating rink. Please figure out a way to make the parking lot not just another giant cement surface lot and preserve the natural beauty of the park	6/5/2025 10:37 PM
130	An indoor pool would increase usage immensely.	6/5/2025 10:12 PM
131	Why is there not an indoor track for walking or running all year round?????	6/5/2025 9:38 PM
132	No	6/5/2025 9:16 PM

135	Swim And skate are missing	6/5/2025 5:20 PM
136	Pool would be great	6/5/2025 5:10 PM
137	N/A	6/5/2025 4:47 PM
138	We live a 2-minute walk from the park. Adding in these new structures is great! We need to consider the increased vehicle traffic that will be traveling through the two main roads.	6/5/2025 3:53 PM
139	Wrong place	6/5/2025 3:44 PM
140	Outdoor hockey rinks please!	6/5/2025 3:12 PM
141	Great idea... must be maintained, though. Not the City of Winnipeg's strong suit.	6/5/2025 3:09 PM

Bonavista Recreation Centre - Phase 2 Survey

142	There should be outdoor ice. There isn't even close to enough ice skating surfaces with access to indoor space in the area.	6/5/2025 3:08 PM
143	n/a	6/5/2025 2:52 PM
144	Please add a roundabout on Warde and De La Seigneurie and not a traffic light like I heard you might be doing. A traffic light would make traffic flow way slower than a roundabout	6/5/2025 2:50 PM
145	We need more indoor hockey rinks that are accessible for kids to play in.	6/5/2025 2:16 PM
146	Consider a rubberized track around a turf soccer field. Would prefer beach volleyball courts instead of basketball (basketball courts nearby). Weightroom should be considered. Outdoor and indoor pool.	6/5/2025 2:07 PM
147	Bus service should have a stop located near the entrance. Service could be rerouted from Island Shore Blvd down Evelynne Reese, to Jack Remer Dr, and back up DLS Blvd. The closest stops on Island Shore Blvd are too far away for winter months when sidewalks can take days to be cleared. Uncleared winter sidewalks are a barrier for anyone taking young kids in strollers or wagons, or people needing mobility-assistance devices.	6/5/2025 2:06 PM
148	Live outside area but have friends who live in neighbourhood and play sports that our league rents gyms in different neighbourhoods. I could see visiting this location as a family but also as someone using sports facilities. Looks great.	6/5/2025 1:40 PM
149	That really depends if the centre will be open all of the time or what the regulations will be to get in. Soccer field is currently used all the time through spring to fall	6/5/2025 1:38 PM
150	Thank you for the opportunity to provide feedback on the proposed improvements to Fraipont Park. Overall, the indoor and outdoor amenities are well planned and reflect the needs of a growing and diverse community. I would like to emphasize the importance of including a swimming pool with a sauna, a fitness/gym area, and a splash pad with warm water for children. These additions would significantly enhance year-round use, support healthy lifestyles, and offer inclusive options for families, seniors, and youth. I also recommend ensuring the availability of shaded seating areas, accessible pathways, and safe traffic flow around the parking zones. These features will further improve comfort and safety for all park users.	6/5/2025 1:24 PM
151	There should be an indoor pool!	6/5/2025 1:23 PM
152	The proposed site location will significantly reduce the existing green space in the area. A more suitable alternative for development would be across the lane, near Warde, westbound along Evelynne Reese Boulevard. This location would preserve the current green space in the field and make more effective use of the underutilized area.	6/5/2025 1:18 PM
153	Winnipeg needs to focus on more pools, swimming lessons, and making that more affordable for people. The city of Brampton Parks and Rec has a great program model. Many rec centres have a pool and arena facilities with a few multipurpose rooms, and a canteen, with outdoor facilities as well. Swimming there is only \$2 per adult and day, any time. I can see facilities like these, even attached to libraries being easily accessible hubs along transit routes, servicing families, and providing a community space at the heart of the neighbourhood.	6/5/2025 1:16 PM
154	A traffic circle and crosswalk is required at de la Seigneurie Blvd and Warde to deal with all the new traffic coming into the community. We do not need more traffic lights.	6/5/2025 12:55 PM
155	There should be more thought put into areas for skating	6/5/2025 12:53 PM
156	an inhouse maintenance staff to keep the area clean at all times	6/5/2025 12:45 PM
157	The park is already used year-round	6/5/2025 12:34 PM
158	Feeling like this is clearly lip service. How many more times do south end citizens have to beg for a pool?	6/5/2025 12:32 PM
159	Would love to see an indoor pool, splash pad or other water features. Weight lifting and gym area would be amazing!	6/5/2025 12:12 PM
160	Need more indoor options for our long winters	6/5/2025 12:10 PM
161	Could the outdoor amenities have an outdoor fitness equipment circuit built? This would be great if the building is not going to have a weight room/fitness centre.	6/5/2025 11:58 AM

Bonavista Recreation Centre - Phase 2 Survey

162	make paths paved to be accessible and near to accessible parking spots	6/5/2025 11:57 AM
163	Field hockey turf either indoor or outdoor with field hockey markings because field hockey markings are not the same as soccer or basketball.	6/5/2025 11:48 AM
164	A city gym for people would be good to add as there are no public gyms that are reasonable cost not super expensive like the private gyms.	6/5/2025 11:37 AM
165	Current amenities include the toboggan slide, pathways, viewing platform, and playground - MUST BE NICE.	6/5/2025 11:34 AM
166	Indoor pool and fitness centre would be highest priority or why bother. Also outdoor skating rink would be well used.	6/5/2025 11:23 AM
167	We need an indoor pool	6/5/2025 11:23 AM
168	It would help improve the quality of life for many people if organizations who provide services to people with disabilities had access either for free or at a deeply discounted rate.	6/5/2025 11:02 AM
169	Wish there were new skating rinks or pools going in!!	6/5/2025 10:52 AM
170	Get us a pool	6/5/2025 10:48 AM
171	Need more pools and outdoor hockey rinks. This centre is a half measure	6/5/2025 10:32 AM
172	The rec center definitely needs to include either outdoor or indoor seating rinks.	6/5/2025 10:27 AM
173	some amenities for senior activities/social gatherings	6/5/2025 10:21 AM
174	An outdoor rink is needed if an indoor rink is not being built	6/5/2025 10:04 AM
175	I think the building needs more usable space such as a gym. I don't see the need for lounge space. Is this building going to have some kind of juice or coffee shop in it? I don't think anyone will be going to a community centre to lounge in a lobby	6/5/2025 10:02 AM
176	It would make sense, but in a different location versus right in the middle of Bonavista.	6/5/2025 10:02 AM
177	See previous comments	6/5/2025 10:00 AM
178	It would be nice to have a gym with free weights and machines.	6/5/2025 10:00 AM
179	Need to have indoor tennis courts as mentioned earlier!!!	6/5/2025 9:49 AM
180	As already mentioned, it would be nice if space could be made for a fitness room to be incorporated into the plans for this space (similar to the Dakota Fieldhouse, but with actual free weights as well).	6/5/2025 9:47 AM
181	My responses may appear to contradict each other. I was not sure how to respond to the questions, as they did not present the opportunity for me to express my skepticism of this development. As long as the taxes from the area benefiting from the development pay for it, then I support improving recreational facilities at Fraipont Park. There are long term costs to sprawling development and developers and people choosing to purchase in the suburbs should bear the costs of the amenities they want.	6/5/2025 9:44 AM
182	Bathrooms available for use year round?	6/5/2025 9:40 AM
183	There needs to be a roundabout at Warde and De la S. With the additional traffic, Warde should be opened from Lag to St. Anne's. don't pave too much of the green space. Would love to see an off-leash dog park area. Make sure there are enough outdoor garbage and recycling cans that are emptied on a regular basis.	6/5/2025 9:29 AM
184	Parking will be huge issue. Is transit going to go there from sage	6/5/2025 9:28 AM
185	This needs an indoor and outdoor swimming pools. Plus an outdoor splash pad. Why did you not add at least something with water? Poor planning!	6/5/2025 9:26 AM
186	Skating rink would be nice	6/5/2025 9:26 AM
187	Build one in Sage Creek	6/5/2025 9:22 AM
188	No	6/5/2025 9:18 AM

191	Needs a pool and/or splash pad	6/5/2025 9:07 AM
192	No	6/5/2025 9:06 AM
193	Has there been thoughts for a splash pad?	6/5/2025 9:04 AM

195	n/a	6/5/2025 9:01 AM
196	Waste of money. Fix roads, swimming pools	6/5/2025 9:00 AM
197	It would be nice to add turning lanes and/or a roundabout for intersection of Warde and De La Seignerurie blvd. With the increased traffic with new builds, there is WAY too much traffic that goes through that intersection to warrant a 4 way stop. It backs up so badly every day and that intersection needs to be made more efficient. Especially if we're adding a community center (additional traffic).	6/5/2025 8:56 AM
198	access to view or drop-off for outdoor facilities.	6/5/2025 8:56 AM
199	Looks great!	6/5/2025 8:38 AM
200	No	6/5/2025 8:36 AM
201	An outdoor rink would be a great addition to make it useful all year round	6/5/2025 8:29 AM
202	Needs an outdoor hockey rink	6/5/2025 8:22 AM
203	is the area large enough to include cross country ski trails in the winter?	6/5/2025 8:12 AM
204	The city closes Happyland pool, reduces hours at other inner city amenities, and wants taxpayers to fund mega structures in the suburbs? Hard no.	6/5/2025 8:03 AM
205	The best way to make the amenities usable all year is to design the courts to be convertible to an outdoor rink in the winter.	6/5/2025 7:45 AM
206	Obviously the outdoor courts are dead space for half the year, but I also don't like the inefficient use of space inside a small building. Why did they not plan to make it a 2 floor building to better utilize the minimal space? Why are we sacrificing having more gym space to service the fitness needs of the community to make space for rental rooms with kitchenettes? There are no city gyms or YMCA near by, I think fitness should be a first priority with everything else coming second. Proposed: Main floor entrance: Daycare, basketball court, multipurpose rooms, locker rooms, whatever. Second floor: All fitness gym, fitness equipment, etc. with walking track (for the winter).	6/5/2025 7:41 AM
207	Please add a dog park. Please add a lap/aquasize pool for 55+.	6/5/2025 7:22 AM
208	I live in Island Lakes and didn't know about the toboggan hill so you have already increased interest in using the space.	6/5/2025 6:25 AM
209	The community centre would be a beacon of social connectivity for residents, however there should be strong implications like no political, or global conflicts, or movement related events that take place this should be a place for everyone but the only way it can be is if everyone respects the facility and the rules, like the basketball court being only for basketball, pickleball courts being only for pickleball, there cannot be any other sports like cricket, golf or anything else that does not comply with the grounds provided for the specific sport they were intended for. There should be security on site during office hours and off hours to ensure these rules are followed and respected.	6/5/2025 1:02 AM
210	This should not be built until Warde is twinned or dedicated turning lanes are installed at intersections. The traffic is already crazy during rush hour and not all the housing has been finished yet plus the traffic going to this centre. There are often times Warde is already backed up down 59. A set of lights may minimally help, but twinning, or at least providing dedicated turning lanes at Ward's intersections is needed. Completing Warde to St Anne's may also help improve traffic and let those in Royal Wood and beyond utilize this centre.	6/4/2025 11:27 PM
211	Again, I think a skating ring would be a great addition to the community and help with 4 season	6/4/2025 11:19 PM

Bonavista Recreation Centre - Phase 2 Survey

amenities. The only winter amenity is the toboggan hill, which isn't much when considering that it's winter half the year. I realize there is a spray pad in island lakes, but it would be nice to have another here. Summers are only getting hotter and the island lakes pad is often packed as it services such a large area. Even a wading pool would be nice! Reading the proposal, it speaks to amenities reached in a 2km radius. I want to note, this seems to be based on a 2km radius 'as the crow flies', which is not a realistic assessment of the nearby amenities to Bonavista. For example, there is no way to safely cross the train tracks ie. No designated rail crossing (walk/bike/or drive), making Abinoji or the perimeter the only way into Royalwood to access the listed amenities there. As for Sage Creek, it is beyond a 30 minute walk to the shopping district, nevermind the parks, including a very dangerous high-speed crossing on Lag which is less than safe for walking/ biking and children. It would also be nice to see more trees added, and the inclusion of prairie habitat restoration in areas where grass cannot be used to play on. (No derelict grass patches that demand watering, restore it with prairie plantings that are naturally drought resistant)

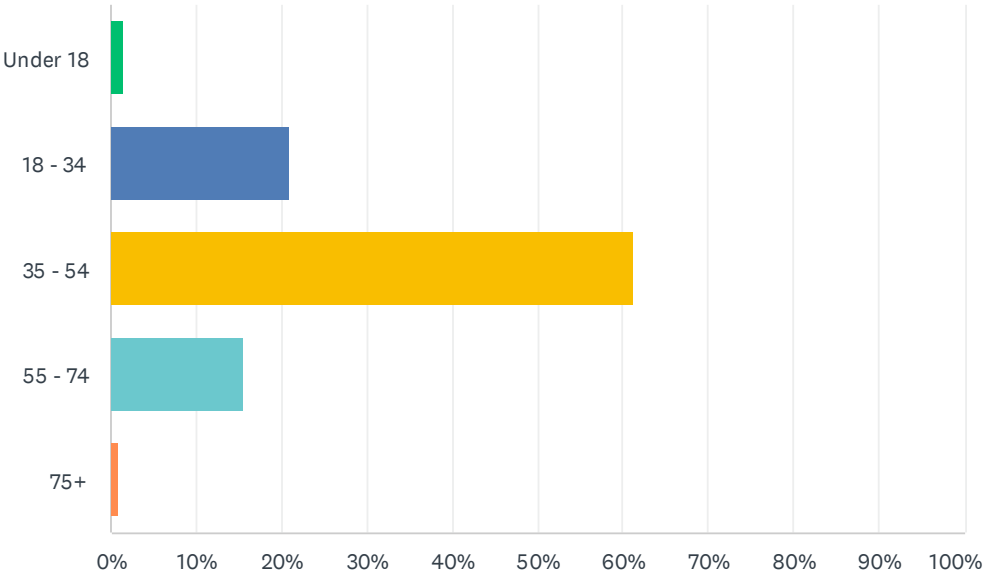

212	Please build it with at least 9 to 12 Pickleball indoor courts. The demand is very much there. And you can charge a fee for people using the indoor Pickleball courts, which will help with the financial aspect of the center.	6/4/2025 11:12 PM
213	Please add swimming pool	6/4/2025 11:01 PM
214	Need some hockey rinks there	6/4/2025 10:45 PM
215	Definitely an out door rink should be considered	6/4/2025 10:41 PM
216	I think a skating rink in winter will get more use than anything else.	6/4/2025 10:38 PM
217	Pool would be great! A splash park would go to great use as the one in island lakes is way to busy with the addition of Bona Vista	6/4/2025 10:36 PM
218	Same idea of soccer field is unnecessary	6/4/2025 10:29 PM
219	Skating rink should be added	6/4/2025 10:10 PM
220	pools and splash pad better than pickle ball	6/4/2025 9:57 PM
221	Skating rink?	6/4/2025 9:56 PM
222	Would have loved to see indoor skating rinks for hockey, ringette and figure skating programs.	6/4/2025 9:36 PM
223	Outdoor hockey rink	6/4/2025 8:47 PM
224	More indoor space. Winter in a much longer season than summer.	6/4/2025 8:38 PM
225	I think the space will be under used in the winter.	6/4/2025 8:26 PM
226	An indoor or outdoor pool would be nice.	6/4/2025 8:22 PM
227	The indoor amenities lack an indoor pool. There are 3 beand new schools in Sage Creek with indoor gyms. What we need is an indoor pool. Our winters are so long we need moew options for indoor activities.	6/4/2025 8:01 PM
228	There are 3 schools in Sage creek with indoor gyms. We need access to a pool for more swimming lesson spots and something to do for indoor play and exercise in our long winters.	6/4/2025 8:01 PM
229	At other centres, the hours are usually limited and people end up not using the courts, especially when the space is limited as it is in this plan.	6/4/2025 7:41 PM
230	I think your should add a hockey rink	6/4/2025 7:21 PM
231	I think that if there is a outdoor rink added it would make fraipont park MORE usable year round in all seasons	6/4/2025 6:57 PM
232	If you want to make it usable year round especially in winter a out door rink would be lovely. There is plenty of hockey kids around this area it would be a good option.	6/4/2025 6:45 PM
233	Outdoor rink?	6/4/2025 6:45 PM
234	There needs to be a commercial café or somewhere to purchase refreshments in Fraipoint Park. Otherwise the picnic area and all the indoor tables and chairs make no sense and will have no use or support.	6/4/2025 5:53 PM

Bonavista Recreation Centre - Phase 2 Survey

235	There are no windows facing south on the building. There's so much sunlight a shame to only have doors. Is it possible to combine the separate lobby areas into a bigger space? There needs to be a crosswalk along Warde Ave between Evelynn Reese and De La Seigneurie. The paths by ponds have full height curbs.	6/4/2025 5:48 PM
236	As long as some of the outdoor spaces can be used as skating rinks in the winter for hockey etc.	6/4/2025 4:38 PM
237	Having an outdoor hockey rink would make it much more of an all season venue	6/4/2025 4:09 PM
238	Out door rink	6/4/2025 4:00 PM
239	Horrible location	6/4/2025 3:52 PM
240	Adding outdoor hockey rinks would make the space even more usable in the winter	6/4/2025 3:27 PM

242	If during the winter season a skating rink can be added somewhere on the property.	6/4/2025 2:32 PM
